**OTHER FOOD SALES**

The site administration expects the sale of nutritious foods. Therefore, all fundraising activities involving the sale of food must be in conjunction with all State and Federal regulations regarding child nutrition. Parent/student organizations must plan food sales for after school hours so that there is no interference with the school's breakfast and lunch programs. Student and parent organizations may contract with the Child Nutrition Department for acquisition of food to be sold on campus for the purpose of fundraising after school. Any on-site vending machines are for the sole use of the Child Nutrition Department (with the exception of the (8) existing machines at high schools).

(cf. 3550 - Food Service/Child Nutrition Program)

Sanitation and safety procedures shall comply with the requirements of the California Retail Food Code.

No foods of minimal nutritional value shall be sold in food service areas during breakfast and lunch periods. (7 CFR 210.11, 220.12)

**Fund-Raiser/Outside Sales**

All foods offered for sale at any school, on any school day, by any student or adult entity or organization must be approved by the Governing Board or designee. (Education Code 38085, Title 5, Section 15500-15501)

When desiring to raise money for district schools or student groups by selling food items, organizations are expected to comply with State and Federal law regarding the nutritional guidelines set forth. All profits from such fund-raisers shall benefit the school or student groups sponsoring the sale.
