~~Community Relations~~

~~The Board of Education desires to help all district students achieve to their highest potential regardless of their social, health, or economic circumstances and recognizes that schools alone cannot meet all the complex needs of children. The district shall provide support services for children and families to the extent possible and shall work with other local governments, businesses, foundations, and community-based organizations, as appropriate, to improve the health, safety, and well-being of the community's youth.~~

~~The Board may initiate or participate in collaborative relationships with county officials to design and coordinate multi-agency programs that respond to the needs of children and families and provide more efficient use of district and community resources. The Board may establish or participate in formal structures for governance teams to regularly meet and discuss issues of mutual concern.~~

~~(cf. 0200—Goals for the School District)
(cf. 9140—Board Representatives)~~

~~The Superintendent and appropriate staff may cooperate with public and private entities in the planning and implementation of joint projects or activities within the community. The Superintendent or designee may designate a coordinator to ensure effective implementation of the district's responsibilities in any such collaborative project.~~

~~(cf. 1400—Relations Between Other Governmental Agencies and the Schools)
(cf. 1700—Relations Between Private Industry and the Schools)~~

~~In order to identify priorities for youth services, the Board may encourage a periodic assessment of children's needs within the community.~~

~~The Board shall approve the services to be offered by the district, the resources that will be allocated to support collaboration, any use of school facilities for services, and any development or joint use of facilities with other jurisdictions.~~

~~(cf. 1330—Use of School Facilities)
(cf. 3100—Budget)~~

~~All agreements with other agencies to coordinate services or share resources shall be in writing. The Board may establish joint powers agreements or memorandums of understanding, when feasible, to formalize the responsibilities and liabilities of all parties in a collaborative activity.~~

~~The Superintendent or designee may work with interagency partners to explore funding opportunities available through each agency, state and national grant programs, and/or private foundations for youth service coordination and delivery.~~

~~In order to facilitate service delivery or determination of eligibility for services, the district may share information with other appropriate agencies with parent/guardian consent and in accordance with laws pertaining to confidentiality and privacy.~~

~~(cf. 3553—Free and Reduced Price Meals)
(cf. 5125—Student Records)~~

~~The Board will receive regular reports of progress toward the identified goals of the collaborative effort. The reports may include, but not be limited to, feedback from staff and families regarding service delivery, numbers of children and families served, specific indicators of conditions of children, and indicators of system efficiency and cost effectiveness.~~

~~(cf. 0500—Accountability)~~

~~The Board will communicate with the community about the district's collaborative efforts and the conditions of children within the schools. The Board may advocate for local, state, and national policies, programs, and initiatives designed to improve the conditions of children and youth.~~
