

Stanly Academy Learning Center  
Title I: Parent and Family Engagement Policy  
2018-2019

SALC recognizes and values the critical role of families in the education of their student. All families are a welcome part of the educational process and are welcomed partners. We encourage parents to actively engage in their student's learning and communicate with the school in order to help students experience success.

The Title I Parent and Family Engagement section of the Every Student Succeeds Act required each Title I school to develop a written parent and family engagement policy that describes the means for carrying out the requirements of Section 1010. The must ensure that information related to school and parent/family programs, meetings and other activities are sent to parents/families of Title I children in a format and in a language the parents/families can understand.

Stanly Academy Learning Center will:

- Inform parents about the Title I Program at a meeting early in the 2018-2019 school year.
- Provide parents with information about the school program, credit recovery, assessments, and student progress.
- Help parents understand all national, state, and local student performance standards, state assessments and local assessments.
- Offer flexible scheduled meetings/communications/conferences/ and involvement activities.
- Maintain a school website that provides up to date information concerning school policies, etc.
- Involve parents in an organized, ongoing, timely manner in planning, review, and improvement of programs.
- Enter a partnership with parents represented by the a compact that we are all on the same team and will do the best we can to offer opportunities for students to be successful.
