

Adopt-A-Classroom

Boonville Elementary School

2019-2020

We are very excited to partner with our community again for the third school year. If you, your family, or your business would be willing to sponsor a classroom at Boonville School, we could always use your support!

How You Can Help

The Boonville School PTO has started an Adopt-A-Classroom program to help out our teachers and school. This program allows an individual, business, or organization to sponsor a classroom. You can't put a price tag on education, but by becoming a sponsor, you are helping ensure all students at BES have the supplies and resources they need to learn and grow.

A \$100 donation will fully fund a classroom, but a donation of any amount will help! We welcome families and individuals to join together in order to make the full donation.

You can't spell BEST without BES! Please see the Adopt-A-Classroom form for more information on how you can help our school be the BEST it can be!

\$100 is needed to fully fund a classroom; HOWEVER, every dollar counts! We appreciate all contributions. 100% of your donation will go toward purchasing classroom needs.

All donors will be recognized on our school website and on our sponsor contribution wall. Sponsors contributing the full funding amount of \$100 or greater will also be recognized on our school sign - a great opportunity for business and organizations.
