Mission Statement

Working Together to Ensure All Students Learn and are Fully Prepared for College and Career

Board Workshop of the Board of Trustees
October 25, 2019
District Office Board Room
325 Marion Avenue, Ben Lomond, CA
12:30 P.M.

MINUTES

I. BOARD WORKSHOP: 12:30 P.M., Board Room, 325 Marion Avenue, Ben Lomond, CA

The Board Workshop began at 12:36pm
Dr. Bruton, Superintendent, opened by sharing the Turf Field Article that was sent out to all staff, parents, and community members.

A. Community Participation

Mr. Wylie, President, asked if anyone was present for Community Participation.
There was no Community Participation

B. Facility Workshop

1. Discuss Bond Amount Bruton

Mr. Greg Isom, Isom Advisors, suggested that the District move forward with the \$75 million dollar amount for the proposed facility bond.
The Board asked various questions regarding the current property tax fees for the community, for expiration dates of previous bonds, RIMD, and the timing of the March election.
Discussion was held. Mr. Schiermeyer, Deputy Superintendent, reviewed the results of the community survey that was given by Isom Advisors.
The Board then came to agreement to put the 75 million dollar facility bond on the March election.

2. Facility Bond Resolution (Review and Discussion) Bruton

The Facility Bond Resolution had previously been reviewed by all Board members.
A few sections within the resolution language were tagged for minor revisions. Mr. Schiermeyer, Deputy Superintendent, plans to review all of the language changes with our bond legal counsel.

3. Communication Plan Bruton

A discussion was held in regards to what the community needs to know and how to effectively relay the information regarding the bond.
Dr. Bruton referenced the list of key community members and organizations to begin sharing the facility bond information with now.
It is important for the community to understand that the district does not receive designated funding for maintenance, repairs, and/or upgrades to district facilities. These are all costs that will need to be covered out of the General Fund if the facility bond is not successful.

SAN LORENZO VALLEY UNIFIED SCHOOL DISTRICT

It is also important for the community to understand that they only incur costs on the assessed valuation of their home, not the sale valuation. The average home assessed value in the valley is \$325K.

4. Campus Facility Options..... Bruton

Dr. Bruton, Superintendent, outlined some of the proposed facility options for the SLV Charter Program. Programs and timelines were discussed with the Board. The benefits of moving the SLV Charter Program to the QH / District Office site were shared and discussed. The overall benefit for the Charter Program is to build their identity as one school.

Some challenges and logistics were discussed by the Board. Administration will continue to analyze and explore this option to move the Charter Program to explore other facility options that can be made available to the students of SLV.

II. ADJOURNMENT: 2:30 P.M.

The Board Workshop concluded at 2:35 p.m.

RESPECTFULLY SUBMITTED:

WITNESSED BY:

Dr. Laurie Bruton, Secretary and Superintendent
Board of Trustees

Jacqui Rice, Clerk
