***OUR VISION** is to create an environment and school climate that promotes and supports student achievement and gives students a sense of empowerment over their own education and personal growth.*

***OUR MISSION** is to provide individualized programs which will maximize student success towards graduation. The school helps students acquire the skills necessary to return to the comprehensive high school or transition to the workforce and/or higher education. The goal of this approach is to make students aware of and develop the human qualities that allow them to become contributing, productive members of society. The school provides a safe and supportive atmosphere to help students cope with and manage problems of living in today's society.*

ESLRs - CPHS prepares students to be:
Healthy Individuals who work cooperatively with others and resolve conflicts peacefully

Responsible Citizens who take responsibility for their behavior

Effective Communicators, who read, listen, write and speak reflectively and critically

Complex Thinkers who transfer learning to new situations

Self-directed Achievers who can identify their goals and accept responsibility for meeting them

PLC - Focus on Learning

Ensure high levels of learning for all students everyday – no exceptions
