

Learning Ally™

TOGETHER IT'S POSSIBLE

Learning Ally is a **FREE solution** to help students who read below grade level **BOOST** their vocabulary, comprehension and test scores.

Marissa District 40 encourages parents to sign up their kids to be able to use this program. This is a computer based or App for your phone, ipad or tablet.

Contact your child(s) teacher or email ahiller@marissa40.org or lselman@marissa40.org with the following information: Student Name ; Grade ; Teacher

Benefits:

- can listen to books anywhere using a cell phone, iPad, computer, or tablet
- provides feedback on how many students are reading, how many pages, and how long
- students can watch as the program reads - it highlights the text in yellow
- provides both books and textbooks of all genres and at all levels including college
- provides extra help for struggling readers and auditory learners
