

St. Francis of Assisi Extended Care

2018-2019

Daily Schedule

The focus of Extended Care is to provide a safe, secure, stimulating and productive after school care program for all registered students while maintaining the same spiritual, supervisory, academic and disciplinary standards we follow each day. Essentially, the rules and standards that apply during the school day are the same rules and standards which apply after school. The children will be able to participate in a variety of activities such as enrichment classes, recreational activities and supervised homework rooms. There are also extra-curricular activities that are offered during Extended Care hours for an additional charge.

We are blessed to have an experienced and talented staff that will be working with the children. We also employ SFA faculty and staff to add continuity to the program.

3K, 4K, 5K Schedule

2:50—3:15 Students are escorted by Teacher Assistants to the Café for after school snack.
