

September 19, 2019

The wait is finally over and we are in the new building. What a building it is! The staff and students are so excited and appreciative for what the community has done for us.

The fall is always an exciting time at the High School and this year is no exception. The fall athletic teams are in action and our student athletes are working hard.

The Mock trial team is heading to Atlanta to compete in the Empire Mock Trial competition. This is a great experience for our students and I am sure they will represent Reading High School very well.

Please be patient as we try and work through all the issues that come with opening a new building. We are also learning how to run a building with pre-k through 12<sup>th</sup> graders all in the same building. If you have any concerns or suggestions, please send them to me.

Once again, I would like to thank our community for providing our students with our new building. We absolutely love it!

Dennis Ramsey  
Principal  
Reading High School
