MISSION STATEMENT

The primary purpose of Sierra High School is to provide a quality education for students who have not experienced success in the comprehensive high school program. This education is provided in a climate designed to foster a sense of community where students can experience, within a small school setting, personal recognition, academic success, and positive identification in a structured, yet flexible environment.

STUDENT LEARNING OUTCOMES

The graduates of Sierra High School will be:

Self-Directed Learners who demonstrate responsibility for their learning, who set personal and academic goals, make informed decisions, and take pride in producing quality work.

Critical thinkers who are able to creatively solve problems individually and collaboratively.

Effective communicators who listen actively, speak clearly, write coherently, read critically, and make effective use of technology.

Responsible citizens who know the importance of personal values such as integrity, citizenship, and punctuality, and who feel respected and valued within their community.

WHO MAY ATTEND?

State law mandates school attendance for all persons who have not graduated from high school nor reached their 18th birthday. This attendance requirement is typically completed in a traditional comprehensive high school. An alternative placement at Sierra High School is available for students who:

- Have fallen behind in credits and are unable to graduate with their class.
- Have attendance problems and/or truancy
- Have a record of discipline referrals for inappropriate behavior or rule violations.
- Have personal or social needs that cannot be met within the traditional school setting.
- Student must be at least 16 years of age.

OUR EXPECTATION IS YOU WILL DO WELL ACADEMICALLY, HAVE GREAT ATTENDANCE AND A POSITIVE ATTITUDE.

When a new student enrolls at our school, staff will evaluate the courses that the student has passed previously and assign courses that the student needs in order to make progress towards graduation.

All completed work must be turned in to the classroom teachers. Work should be turned in immediately upon completion. All course work at Sierra High School must be completed at a rate of 60% or better for credit. Any work not meeting these criteria will be returned to the student for correction. Students must pass quizzes, benchmark assessments, final exams and complete classroom projects/assignments to verify mastery of course subject standards.

Students are encouraged to keep track of their academic progress. Credits will be posted at the end of each quarter and students will be mailed a report card to inform them of their progress. Students can earn additional credit by participating in ROP/CEC, Community College courses, teacher contract (requires admin approval) or through an online (school approved) program.

PROGRESS REPORTS

Progress reports are issued at the end of each quarter in the form of a transcript. A student may always request a transcript from the office. Parents may request a copy of their child’s transcript from front office personnel.

TUTORING

TEACHERS ARE AVAILABLE BEFORE/AFTER SCHOOL FOR TUTORING. PLEASE MAKE ARRANGEMENTS WITH YOUR TEACHERS. THIS VARIES BY QUARTER.

ATTENDANCE (ED CODE EC48262)

ABSENCE FROM SCHOOL IS A MAJOR FACTOR IN POOR STUDENT ACADEMIC PERFORMANCE.

State law requires parents/guardians to send their children, ages 6-18, to school regularly, to compel the student to attend daily, and to provide an explanation satisfactory to school personnel for all absences. Numerous research studies have shown that excessive absences have a profound impact on academic achievement.

EXCUSED ABSENCES

Students may only be excused from school for the following reasons:

1. Medical Appointment with a doctor’s note - EC 48205 *
2. Funeral due to death of an immediate family member - EC 48205 (parent contact required)
3. Exclusion to quarantine by city or county health office - EC 48205*
4. Court Appointment – EC 48205*

***A doctor’s note or illness verification by school personnel will be required for all medical illnesses after a student’s third absence. If a note is not brought in or the absence is not verified, it will be considered unexcused.**

UNEXCUSED ABSENCES

Students who are absent from school for any reason other than those listed above are required to make up the time missed from school. **IT IS THE STUDENT'S RESPONSIBILITY TO MAKE ARRANGEMENTS WITH HIS/HER TEACHERS.**

On the third unexcused absence, in addition to making up the time, a parent meeting will be scheduled to discuss the student's attendance. In the case of a fourth unexcused absence, the student will be referred to SARB.

IF YOU ARE GOING TO BE ABSENT

Students and/or their parent are required to contact the office manager at 524-8202 before 9:00 a.m. and are also required to bring a note from their parent or guardian upon their return to school. If you forget to call or bring a note, you may be assigned detention hours. If you are not in school and you or your parent has not contacted the school, your parent/guardian will be contacted at home or their place of work to confirm your absence and verify reason. In some cases a home visit may occur with the School Resource Officer. If there is no communication regarding a student's absence, the student will be considered truant until a note is received by the office manager or administration.

ALL ABSENCE NOTES MUST INCLUDE THE FOLLOWING INFORMATION:

1. Date the note was written
2. Name of the student (first and last name)
3. Reason for the absence
4. Date that the student was absent
5. Parent signature

Tardies

- See tardy policies
- Continued tardies may result in student being referred to the School Attendance Review Board (SARB)

Ditching/Truancy

General Policy

- Teachers require a minimum of 90% student daily attendance for full credit
- No make-up work is allowed for truant students
- Loss of credit
- Refer to SARB; possible citation to student and parent
- Assigned Saturday school
- Contact parent
- Send SRO to student's home, if necessary
- SART contract

****CONTINUED TARDIES AND TRUANCIES MAY RESULT IN PLACEMENT TO ANOTHER PROGRAM***

IF YOU ARE TOO SICK TO COME TO SCHOOL, YOU ARE TOO SICK TO ATTEND R.O.P OR WORK, AND ARE TOO SICK TO BE OUT ON THE STREETS. IF YOU ARE SEEN AWAY FROM HOME, NOT ACCOMPANIED BY A PARENT/GARDIAN ON A DAY YOU CALLED IN SICK TO SCHOOL, YOU WILL BE CONSIDERED TRUANT AND THE SCHOOL RESOURCE OFFICER WILL BE NOTIFIED.

Fillmore Municipal Code Section 15.32.060: Daytime Curfew – Loitering by minors, in a public place or place open to the public between the hours of 0800-1500 hours is prohibited, when the minor a should be in school.

CHECK OUT PROCEDURE

When a student leaves Sierra High School, whether to graduate, return to the high school, or to enroll in another program, it is the responsibility of the student to follow all check out procedures carefully. To check out, the student and his/her parent must first meet with the principal to discuss the student's request. If a decision is made for the student to leave school, ALL TEXTBOOKS AND MATERIALS MUST BE RETURNED to the classroom teacher. It is the responsibility of the student to turn in all completed assignments to the teacher. The teacher will then assess the completed work and assign any earned credit for the completed work. The teacher may assign partial credits for work turned in.

CONCURRENT ENROLLMENT

Students may, while enrolled at Sierra High School, take additional classes from a variety of schools and programs including Career Ed. Center (C.E.C.), community colleges and other training or vocational programs. Please see the counselor or principal for information and enrollment procedures.

COUNSELING SERVICE

To assist students, counseling services are available through City Impact, Ventura County Behavioral Health (STAR referrals) and other community resources. Please see the counselor for more information. Throughout the school year we will also have various presentations on areas of alcohol and substance abuse. Should a student, in the school's opinion, be in need of more counseling services, the parent/guardian will be notified and the student may be recommended to seek professional assistance.

EMERGENCY PROCEDURES

Fire – The fire alarm is a series of short loud bells. Students are to leave rooms quickly and quietly following the instructions of the teacher in charge. Students are evacuated to predetermined areas away from buildings and overhead wires.

Earthquakes – At the first sign of ground movement (or the instruction of the teacher in charge) students should seek cover under or near tables or desks, facing away from windows. Students should remain under protective cover until instructed otherwise. Students should not

attempt to leave buildings until instructed to do so. If evacuation is necessary, students will be taken by their teacher (or adult supervisor) to a predetermined location on the basketball courts at Fillmore High School. **STUDENTS ARE NOT ALLOWED TO LEAVE UNLESS DISMISSED BY AN FUSD EMPLOYEE.**

OTHER EMERGENCIES

During any emergency situation students must follow the instructions of their teacher or other adult supervisor. If it is necessary to evacuate students from the campus to the basketball courts, parents/guardians should go directly to the evacuation center upon notification. Parent/guardians who wish to pick their students up at the evacuation center must check them out at the checkout station established at the evacuation center. **STUDENTS ARE NOT ALLOWED TO LEAVE UNLESS DISMISSED BY AN FUSD EMPLOYEE.**

HEALTH SERVICES

If a student becomes ill at school, he/she must first notify the teacher to ask permission to go to the school office. After contacting the student's parent/guardian or emergency contact, the student may be sent home if the illness warrants. Students must not leave campus because of illness without permission. Students with special health problems are to inform the office immediately. In the event of illness or accident, school personnel will give emergency care only and the parent will be notified immediately. Parent/guardian is responsible for any additional care needed. No medication of any kind (including prescription) may be carried by students on campus (except an asthma inhaler, with written doctor's permission). **NO medication, prescription or over the counter, will be administered without written doctor's orders and written parent/guardian consent. Emergency cards must be kept current with accurate parent contact information.**

FOOD SERVICE

This school year, Provision II allows our students to eat breakfast and lunch at no cost.

WORK EXPERIENCE

Students who wish to work while attending school must obtain a work permit from the school principal. Students wishing to earn work experience credit must complete all assignments and must bring in their weekly or regular pay stubs for verification of work hours. Students may earn a maximum of forty credits toward graduation. Students must maintain a 2.0 g.p.a. and have good attendance; otherwise work permits may be revoked. (Only students on an IEP on currently eligible to earn credits for work experience)

COLLEGE & CAREER COUNSELOR

Career and College guidance is available to all students. Students will be asked to meet with the counselor at least once per quarter to develop career/and or education goals. Many opportunities are available through the counselor such as, fieldtrips, job shadows, internships, guest speakers, etc. The counselor will be available five days per week.

VISITORS

Parents and other community members are welcome and encouraged to visit at any time with 24 hour prior notice. **All visitors are required to check in at the school office** and may not enter the classroom or break area without permission for the school staff. Students are discouraged from inviting visitors to the campus without prior approval from the school principal. Trespassers may be cited. **THIS INCLUDES THE SCHOOL PARKING LOT AREA.**

SCHOOL SITE COUNCIL/ELAC

The School Site Council is a committee composed of students, parents, staff and community representatives who are responsible and interested in improving the school. The council meets regularly and plays a vital role in forming school policies and managing financial matters. Elections are held at the beginning of the school year but parents may attend SSC meetings throughout the school year.

CEC – ELECTIVE COURSE OPTIONS FOR ALTERNATIVE EDUCATION STUDENTS

The Career Ed. Center (CEC) offers many courses that help students prepare for entry into the workforce. These courses are available to any alternative education student; 17 years of age or older with permission from your counselor/principal and the classroom teacher. Please see the school counselor or principal for complete information. Select CEC classes require a one year commitment.

The policy is implemented to inform both students and personnel as to what sexual harassment/battery is and what procedures are to be followed in dealing with sexual harassment/battery within the District.

3. Making threatening reprisals after a negative response to sexual advances.
4. Leering; making sexual gestures; displaying sexually suggestive objects, pictures, cartoons, or posters.

An impartial and neutral investigation may be made by law enforcement. The investigation will include interviewing the alleged victim, alleged harasser, and corroborative witnesses. Appropriate sanctions will be imposed against any employee or student who is found to have engaged in sexual harassment/battery while on or about district property, or in relation to some District Activity.

Any student who engages in the sexual harassment/battery of anyone in or from the District may be subject to disciplinary action up to and including expulsion. Any employee who permits or engages in sexual harassment/battery may be subjected to disciplinary action up to including dismissal.

Teachers shall discuss the policy with their students in age appropriate ways and should assure them that they need not endure any form of sexual harassment/battery.

The District prohibits retaliatory behavior against any complaint or any participant in the complaint process. Each complaint of sexual harassment/battery shall be promptly investigated in a way that respects the privacy of all parties concerned. Administrative Regulation

USE OF METAL DETECTORS

The Superintendent is authorized to establish a metal detector scanning and extended search program to deter the presence of weapons and other dangerous devices and thereby prevent violence and serious physical injury in school. (Board Policy 5145.12)

The purpose of the metal detector scan is to prevent weapons and other dangerous devices from entering the school or location where a school-related activity is being held. At all times, the degree and nature of the search are not to go beyond what is necessary to allow staff to discharge its responsibility.

Each school principal shall provide advance prior written notice, including the use of signs or public announcements, before metal detectors are used. The school principal shall provide each student and his or her parents/guardians with advance written notice (in English and Spanish) that metal detector searches will take place under specified circumstances at school or school-related activities.

The principal or principal's designee must be present to observe the scanning of students or other individuals. Where there is more than one scanning site, designees shall be assigned at the direction of the principal to ensure proper coordination of the scan procedure.

All individuals entering the building, campus, school building or designated area (i.e. football field) may be scanned. However, when necessary, the principal may not elect to scan every person. In such cases, the principal will determine the proportion of persons to be scanned on a random basis.

Every effort must be made to minimize the intrusion of privacy from metal detector scans. The metal detector or screening device is used only to determine whether a further physical search is necessary. Students/individuals who do not activate the metal detector would not be subject to any further search without reasonable cause.

Discovery of any prohibited items (weapons, dangerous devices, drugs, etc.) will result in disciplinary action per Education Code Section 48900(a-o) and prohibited items will be transferred to a local law enforcement official.
