Admissions Booklet: 2019 – 2020 School Year Enrollment

Thank you for considering Trinity Hall for your daughter's high school years.

The admissions application should be filled out completely and returned in the enclosed envelope. The admissions committee considers many factors when evaluating an applicant, including the required application pieces and, beyond that, what it would be like to have her join our community. These components, as a whole, help the committee form a complete picture of each applicant — her strengths, interests, and personal qualities. For this reason, our application process is multifaceted.

If you have questions about the admissions process please contact Theresa Kiernan, director of advancement and admissions: theresakiernan@trinityhallnj.org.
