Jubilee Academies is working to ensure you have the most up-to-date information associated with the Coronavirus (COVID-19) as it pertains to your campuses. We want to encourage all our families to stay safe and adhere to the mandates and recommendations from city authorities and the CDC. Please visit our district website www.jubileeacademies.org for the most up-to-date communications and for information about closures, distant learning, grab & go meal distribution, and other resources. If you have any questions or concerns, please email us.

MEAL DISTRIBUTION UPDATE

In an effort to limit exposure, our Child Nutrition Department will offer meal packages for families on Monday (3/30) and Thursday (4/2) this week. Each package will contain multiple days’ worth of meals. We are following the 6 feet social distancing protocol and only one person is allowed at the table at a time during distribution. Parents that do not want to get out of their vehicles are welcome to open the trunk for meals to be placed inside.

Jubilee Academies Meal Distribution Sites:
- Jubilee-Wells Branch
- Jubilee-San Antonio
- Jubilee-Lakeview
- Jubilee-Westwood
- Jubilee-Kingsville
- Jubilee-Brownsville
- Jubilee-Harlingen

UPDATE PARENT CONTACT INFO

Parents, we want to keep you informed and connected, but we need your help! SchoolMint is the website we use for student enrollment and contact information. We ask that families verify the contact information on file and opt-in to emails so that you are receiving all communications to your email. Moving forward, you do not need an access code to make updates. Please visit https://jubileeacademiccenter.schoolmint.net/signin to access your account. This account is the same as the one used for enrollment/re-enrollment.

DISTANT LEARNING: WHAT TO EXPECT FOR PHASE III

San Antonio & Kingsville: 4/6 and beyond
RGV & Austin: 4/13 and beyond

Digital learning lessons and instructional activities during Phase III are planned by teachers with support from the Curriculum and Instruction (C&I) Team. In collaboration with our partners in education, Jubilee has established complementary access of quality digital programs for students and families. Through the facilitation of technology, families and students can more easily maintain an educational connection with teachers and classmates.

Paper-based work packets will only be available upon request. During Phase III, the focus is on distance learning utilizing district approved digital platforms and programs. Teachers plan instruction and assignments aligned with the state mandated standards, Texas Essential Knowledge and Skills (TEKS).
