

# PARENT UNIVERSITY HOMESCHOOL WORKSHOPS

9:00 A.M. – 12:00 P.M.

**9:00am – 9:10am: JPS Auditorium**

*Welcome & Information*

*By Catherine Bowes, Director*

**9:10am – 9:25am: JPS Auditorium**

*Teaching in the Real World*

*Keynote Speaker Michelle D'Augusta, Assistant Director*

In this keynote session, Michelle will be talking about teaching students using the world as your classroom. You are homeschooling to give your child something different than the traditional school model, but what does that look like? How do you plan for that type of teaching? How do you assess the learning? How do you provide proof of your child's learning? Let's talk about it together.

**9:30am – 9:50am: JPS Auditorium**

*Enrichment and Field Trip Information Session*

*By Catherine Bowes, Director*

Learn about GSDA's Enrichment and Support opportunities.

## **Break Out Session #1: 9:55 a.m. – 10:40 a.m.**

- **Early Literacy: Room 1**

Unsure of how to get your little one to become a full-fledged reader and writer? From beginning letter recognition and sounds to early chapter books, we've got you covered! Come learn about fun, interactive hands-on activities, games, and lessons to move your student from recognizing letters to reading and writing like a champ!

- **Next Level Literacy: Room 2**

Your 3rd-8th grader has learned to read, but how can you take your child's reading and writing to the next level? In this session we will explore higher level comprehension strategies, cross-curricular activities, tools and techniques to get your child writing for a variety of purposes, and more!

- **Returning Families Q & A: JPS Auditorium**

Open forum for returning families to speak with our Director to get questions answered about the 2018/2019 school year.

## Break Out Session #2: 10:45 a.m. – 11:30 a.m.

- ***What's Your Problem? Problem Solving Strategies for Math: Room 1***

In this session we will explore the best strategies to help your students become excellent math problem solvers at all grade levels. We will discuss mathematical mindset, bar modeling, tools you can use with your math student, how to use math journals, and real-world applications.

- ***How to Organize Your Homeschool Day: Room 2***

Learn tips and tricks for organizing your homeschool day from homeschool veterans! From planning your academics to fulfilling your home life chores, come and learn how to make it all work for you. Whether you're a first-time homeschool teacher or wanting to put a new lens on your routine, this session is for you.

- ***Learning Experiences: JPS Auditorium***

Families enrolled in the New Learning Experience Outdoor Education program will have the opportunity to meet with Ms. Tamara to learn more about the program, ask questions and be ready for the first class day.
