Student Attendance Policy

5113

Attendance is mandated by Rhode Island General Laws 16-19-1. Regular attendance is absolutely necessary for academic success, as it develops a sense of responsibility, which is indispensable for survival in the workplace.

Student Absences beyond Ten (10) Days

When a student has been absent for ten (10) consecutive school days, and the absence has not been reported, and the school has demonstrated a good faith effort to contact the student and his or her parents/guardians, the student may be dropped from the attendance rolls.

Absences and Tardiness

1. Excused absences are for: illness or appointment confirmed by a doctor's/dentist's note within two (2) days of return to school; family bereavement; legal/court obligations confirmed by a note from the court; college or military appointments confirmed by documentation from agency.
2. Students are expected to be present in all classes on time. The classroom teacher will discipline students who are chronically late to classes. Students who are chronically late to class more than 4 times per quarter or 5 times per trimester will be referred to the student's building administrator.
3. Students who are late to school must sign in at the tardy desk.
4. All latenesses beyond four (4) per quarter (5) per trimester will result in disciplinary consequences unless excused with verifiable documentation (e.g. doctor's/dentist's note, legal obligation, family bereavement). All absence/tardy notes must be submitted no later than the day following the student's return to school or the day following the tardy. Parents/guardians shall be notified of excessive lateness after the fourth tardy per quarter or the fifth tardy per trimester.
5. On the fourth or fifth lateness respectively, a conference with the building administrator will occur. Parents will be notified of the excessive tardies. Detention will be assigned for all days tardy beyond four per quarter or five per trimester; more than eight latenesses will result in social probation and/or additional disciplinary consequences.
6. Social probation will be imposed after the eighth (8) tardy in a marking period. Social probation means the student will not be able to participate in any extracurricular activities or school-sponsored events after school hours, after school, or on weekends. Such events shall include, but not be limited to, dances, proms or athletics, either as a participant or observer, for the remainder of the term.
7. Teachers are not obligated to provide make-up assignments for the following: students who have "cut" class; student who miss a class by arriving late to school without a verifiable excuse (see criteria above).

8. Family vacations during school time are not considered excused absences; however, students will be provided with the opportunity to make up work upon their return to school. Students will have the equivalent of time out of school to make up work (i.e. three days out = three days to make up the work). School will not provide school work before the vacation.

9. Parents wishing to appeal an attendance-related decision made by the classroom teacher should follow the CPS appeal process. Refer to policy 5145. (i.e. written appeal in the following order: student's assistant principal, principal, superintendent [or designee], Cranston School Committee).

District-wide Grading Policy

5124(a)

Reporting to Parents/Guardians and Students:

Procedure:

1. Teachers will be expected to maintain accurate records of student progress and class attendance. These records will be used to determine quarterly grades.
2. Teachers will be expected to use a variety of means to determine and report student progress. Never should the quarterly grade be determined on the basis of just one test or project.
3. Behavior/citizenship will not be considered a factor in the determination of the academic grade. There is a separate code for noting student decorum.
4. The following grade reporting system will be used by all secondary teachers for the calculation of all marking periods and cumulative grades:

97-100	A+	Superior
93-96	A	Excellent
90-92	A-	Outstanding
87-89	B+	Very good
83-86	B	Good
80-82	B-	Above average
77-79	C+	High average
73-76	C	Average
70-72	C-	Low average
65-69	D	Poor
50-64	F	Failure (Eligible for summer school)
00-49	F-	Low Failure (Ineligible for summer school)

Note: Classes with a final grade of F- are ineligible for summer school except with granted appeal by the principal

5. The calculation and reporting of each marking period grade will be independent of the grade earned during the preceding marking period(s).
6. Homework will count for no more than 10% of quarter average. The cumulative grade considers each marking period grade as a separate and equal grade, and it will be reported as an average of the equivalent numerical grades.
7. Progress reports will be issued at the approximate midpoint of each marking period to all students with an apparent cumulative or marking period grade average in the failing range. The purpose of the progress report is to provide a warning and to seek grade improvement. Any teacher issuing a failing grade without first having issued a progress warning – for reasons beyond the teacher's control, will do so only with the permission of the principal.
8. Report card grades will be available via the family portal of the Aspen Student Information System. A paper report card will be available upon request of the parent/guardian. Grades of individuals will not be publically posted or announced.
9. Nothing in this procedure will exclude a student's right to appeal.

5124(b)

Report Card Comments

In addition to class grades, the report card includes a score for "effort" and "citizenship" (1-Excellent, 2-Satisfactory, or 3-Unsatisfactory) as well as an area for each teacher to provide up to three comments. These comments are chosen from a list that is approved by the School Committee, which includes both positive feedback and areas of concern. These comments are also used for progress reporting at the midpoint of each quarter.

Progress Reports

Progress reports are an important form of communication between the classroom teacher and the parent. Progress reports do represent an opportunity for the teacher to communicate positive messages to parents. Progress reports also represent an attempt to notify the parent and student of serious academic concerns and, more importantly, to elicit parental involvement so that remediation of the problem(s) can take place prior to the end of the quarter in accordance with the following procedure:

Progress reports are to be sent to parents when the need becomes obvious, or at the middle of the first, second, third and fourth marking periods under the following conditions:

1. Whenever a student is failing or is in danger of failing on a quarterly and/or cumulative basis.
2. Whenever a student's quarterly grade has dropped two or more letter grades (second, third, fourth marking periods).

3. Whenever a teacher determines that a progress report would be helpful.
4. Whenever a student is in danger of failing, after the progress report and before the end of the quarter, the parent will be notified in writing.

5124(c)

Grade Point Average Calculations

In keeping with guidelines of the National Association of Secondary School Principals, the following table will be used to assign quality points based on final grades in all courses. These quality points will be used to calculate a grade point average. This system utilizes a two level (Honors, College Prep-General) system to encourage and reward students to participate in as vigorous an academic program as is reasonable. The grade point average is used to determine eligibility for the high school honor roll, membership in the several honor societies, and the student's rank in class.

MARK	HONORS	COLLEGE PREP	GENERAL
A+	5.3	4.3	4.3
A	5.0	4.0	4.0
A-	4.7	3.7	3.7
B+	4.3	3.3	3.3
B	4.0	3.0	3.0
B-	3.7	2.7	2.7
C+	3.3	2.3	2.3
C	3.0	2.0	2.0
C-	2.7	1.7	1.7
D	1.0	1.0	1.0
F	0	0	0
F-	0	0	0
M	not included in calculations		
N	not included in calculations		
S	not included in calculations		
W	not included in calculations		
U	not included in calculations		

1. Honors* courses will be weighted the equivalent of one letter grade if the grade is a C- or better.
2. Career Grade Point Average will be calculated using the Final Grade in completed courses and Quarter Grades (prorated) in courses that are in progress.
3. Career Grade Point Average will be calculated at the conclusion of each quarter, with a final GPA being calculated upon graduation or withdrawal.

4. Only approved courses will count toward the GPA:
 - a) Courses listed in the CPS Program of Study.
 - b) Courses transferred from an accredited high school that correlate to those in the CPS Program of Study.
5. Courses taken outside of Cranston Public Schools for credit, while a full time Cranston student, must be approved by the Principal (or his/her designee) and WILL NOT be counted toward the Career GPA.
6. Courses completed in Summer School or with Approved Tutoring ARE NOT counted toward the Career GPA.
7. Career Class Rank is determined by the Career GPA each quarter. Only students who are fully matriculated with at least five (5) credits will be ranked.
 - a) Students in the Alternate Learning Program will not be ranked.
 - b) Students not pursuing a RIDE approved diploma will not be ranked.
 - c) Students with a waiver of regular attendance will not be ranked.
8. The Quarter GPA will be calculated using the Quarter Grade and will be used to determine Honor Roll Status
 - a) Highest Honors: No Quarter Grade lower than an A-
 - b) High Honors: GPA of 4.0 or above with no Quarter Grade lower than C-.
 - c) Honors: GPA of 3.0 or above with no Quarter Grade lower than a C-.

CRANSTON, RHODE ISLAND

Ineligibility Status

Students who do not meet satisfactory behavior guidelines and academic criteria are placed on ineligibility/unsatisfactory conduct lists.

Citizenship Ineligibility

Any student receiving three "3s" or more unsatisfactory citizenship grades is ineligible for participation in extracurricular activities, interscholastic sports, and elected school office.

A student will receive a "3" in citizenship if s/he has: (1) cut class more than once or (2) repeatedly interfered with the learning process of others.

Teachers will document and maintain a record of unsatisfactory citizenship behavior.

Teachers will attempt to modify behavior prior to issuing an unsatisfactory citizenship grade. Teachers will notify the parent(s)/guardian(s) in writing of the student's poor behavior. The teacher will also notify the Department Chairperson/Team Designee and /or appropriate administrator of the student's poor behavior.

A student will be restricted from participating in extracurricular activities such as interscholastic and intramural sports, social events, and student leadership positions if s/he incurs three or more "3s" in conduct/citizenship during a portion of a grading period. Social probation may be imposed at the discretion of the administration, due to chronic attendance or behavioral infractions.

Any student who becomes ineligible will remain so until the next quarter grades are reviewed by an administrator. If, at the time, the student has fewer than three "3", eligibility will be restored. Eligibility may be restored by an administrator prior to the issuance of the next report card provided the student asks for a review of his/her status.

Procedure for Review of Citizenship Ineligibility

A student's/parent's may ask in writing for a review of ineligibility through appropriate administrative office after the release of progress reports.

Notice will be made to the student's teachers. Teachers will indicate if the student's behavior is unsatisfactory, that student will retain his/her ineligible status until fewer than 3 teachers indicate unsatisfactory conduct on either progress reports or report cards.

Note: If a student does not ask for a review of his/her status, ineligibility is retained until fewer than three teachers indicate unsatisfactory on the report card.

Academic Ineligibility

Academic ineligibility students in grades 9-12 will reflect the standard established by Article 3 of the rules of the Rhode Island Interscholastic League (RIIL) promulgated by the Principals' Committee on Athletics (PCOA).

Academic eligibility for middle school students will follow guidelines set in Article II of rules of the Rhode Island Principals' Committee on Athletics (RIPCOA) Grades 6-8.

These rules and regulations can be found at their respective website. The ineligible status will remain in effect until grades for the next quarter are posted and reviewed.

Notwithstanding the above RIPCOA guidelines, any student who is failing two or more subjects at the middle school level will be ineligible to participate in any extracurricular activities, both social and athletic. Eligibility may be restored upon review if a student has fewer than two failures.

Procedure for Review of Middle School Academic Ineligibility

A student/student's parents may ask in writing for a review of ineligibility through the appropriate administrative office when progress reports are issued.

Notice will be made to the student's teachers. Teachers will indicate if the student is passing. If any 2 teachers indicate that an ineligible student is not passing, that student will retain his/her ineligible status until less than 2 teachers indicate failing grades.

Homework Policy

6154

PURPOSE

The purpose of homework is the independent practice of skills and concepts that promote grade level /span expectations and curriculum that have been modeled and taught in the classroom. Homework serves to develop individual study skills and responsibility while reinforcing skills and concepts. The purpose of homework may include practice, preparation and/or the extension of instructional objectives aligned to the curriculum.

AMOUNT AND FREQUENCY

Elementary Schools- Grades K-5

Therefore, it is the policy of the School Committee that every student will be assigned homework on a regular basis by every teacher wherein such is appropriate. The following time chart suggests a **minimum** average assignment time that Cranston Public school elementary students shall spend on homework, daily, Monday-Thursday, with the exception of long-term projects, which may cover a number of weeks. *Homework shall not be assigned over religious, secular, federal or state holidays. Homework shall not be assigned during scheduled holidays. Long term projects will not be due the day following an extended vacation.*

The following time chart suggests a **minimum** average assignment time that Cranston public school secondary students shall spend on daily homework Monday-Friday, with the exception of long-term projects, which may cover a number of weeks.

ELEMENTARY GRADES (K-5)	Suggested Minimum Average TOTAL time
Kindergarten	Subject to teacher discretion but not exceeding 10 minutes
Grade 1	10 minutes
Grade 2	20 minutes
Grade 3	30 minutes
Grade 4	40 minutes
Grade 5	50 minutes

Secondary Schools	Suggested Average Total Time
Grades 6, 7 and 8	70-80 minutes*
Grades 9 – 12	90 + minutes*

*Occasionally extenuating circumstances at the Secondary level, for example in Honors and Advanced Placement courses, may present the need for students to work additional minutes in order to complete assignments. Teachers need to be cognitive of student workloads and therefore give flexible due dates so that students may plan for the appropriate submission of homework. A student and/or parent should first address concerns about the workload to the classroom teacher. If the issue remains unresolved, the department chair or chairs should be consulted. They will make further recommendations.

Responsibilities

Students are responsible for recording homework in an appropriate organizer such as homework folder, planner, etc., student must take home all necessary materials. All homework must be completed and returned to the teacher on the appropriate due date. Homework should be completed according to the directions and expectations of the teacher. If a student is confused by an assignment, the student should come to school with specific questions that demonstrate that he/she has put forth sufficient effort.

Teachers are responsible for communicating and following the homework policy by assigning relevant, valid assignments aligned to the instructional objectives. Directions and expectations are to be stated clearly. Appropriate feedback to students and parents should be given in a reasonable amount of time.

Administrators are responsible for communicating the homework policy to the community and monitoring it in the school.

Parent/Guardians are responsible for providing an appropriate setting or environment to help promote learning through the independent practice of homework. It is the responsibility of the parent/guardian to monitor the student's academic performance and completion of homework assignments. This may include signing any papers that require a signature.

Any student who becomes ineligible will remain so until the next quarter grades are reviewed by an administrator. If at that time, the student has fewer than "3s," eligibility will be restored. Eligibility may be restored by an administrator prior to the issuance of the next report card provided the student asks for a review of his/her status.

District-wide Disciplinary Policy

5144.1

The Cranston Public Schools operates in an orderly manner by setting reasonable rules for student behavior. Violation or disregard for the rules constitutes a disciplinary matter, which teachers and other supervisory personnel will handle first at the level where such infractions occur. In each school, a designated administrator will resolve persistent or serious infractions.

In the event a policy should be revised or a new policy adopted after the start of the school year, the policy will immediately be in effect upon passage by the Cranston School Committee and supersede the previous policy.

Disciplinary cases will be resolved with two primary goals in mind:

- A. Rehabilitation through appropriate counseling and/or supporting services.
- B. Restitution and/or consequence for the wrongful act committed.

Student refusal to comply with district behavioral expectations may be cause for suspending the

student up to ten school days. Because every act of misbehavior cannot be anticipated through school rules, the administrators will be required to make judgments regarding acts of misconduct, which are not covered in this handbook. It is the right and the responsibility of the administrator to exercise immediate judgment in any matter in which students or staff are placed in situations which pose danger to their life or limb or which create a major disruption to the learning process. The administrators have the right to alter any and all of the rules and regulations listed in this handbook when, in their professional judgment, the situation may require such an alteration.

Parents will be notified of any disciplinary proceedings by telephone, email or by mail; copies of all letters will become part of the student's disciplinary file. Administrators and other school staff reserve the right to contact parents of students 18 years or older, with the student's permission.

Lockers and Vehicles

CRANSTON, RHODE ISLAND**

Due Process

5145 (a)

Due process procedures are incorporated into the Disciplinary Procedures for Cranston Public School students (this document). All students are given a copy of the procedures at the beginning of each school year or when they enroll in the district. Consistent with Rhode Island General Law, "each student and his or her parent (guardian) shall sign a statement verifying that they have been given a copy of the student disciplinary code of their respective school district." If a student is over the age of 18, the student must authorize the release of records or educational information. If the student and/or parent(s)/guardian(s) are not in agreement with the disciplinary decision made at the school level, the following steps may be taken:

Level I Dismissal of a Student from Class/Assignment of Detention

1. The student and/or parent(s)/guardian(s) shall be informed of the reasons for removal and assignment of detention by the principal and/or assistant principal.
2. The student and/or the parent(s)/guardian(s) shall be given an opportunity to appeal the action to the principal of the school and present his/her point of view regarding the decision.
3. The principal will render a decision and inform the student and/or parents verbally.

Level 2 Suspensions of Ten (10) Days or Less

1. The student and/or parent(s)/guardian(s) shall be given oral or written notice of the charges against him/her and the proposed disciplinary consequence.
2. If the student denies the charges, the student shall be given an explanation of the evidence the authorities possess.
3. The student and/or parent(s)/guardian(s) shall be given an opportunity to present his/her version of the incident to the principal of the school or his/her designee.

The notice and hearing generally should precede the student's removal from school since the hearing may almost immediately follow the incident, but if prior notice and hearings are not feasible, as where the student's presence endangers persons or property or threatens destruction of the academic process, thus justifying immediate removal from school, the necessary notice or hearing shall follow as soon as practicable.

4. The student and/or parent(s)/guardian(s) shall have the right to appeal the decision of the school principal within ten (10) days of receipt of notice of the decision of the

principal. This notice of appeal must be sent in writing by the student and/or parent(s)/guardian(s) to the office of the Superintendent; the principal rendering the decision must be notified of the appeal. If an interpreter is required by the student and/or parent(s)/guardian(s), that must also be included in the written appeal.

5. The student will once again be given the opportunity to present his/her version of the incident, and the principal or his/her designee shall present the administration's version of the incident. Both parties can present any evidence they may have at the hearing before the superintendent or his/her designee.
6. The superintendent or his/her designee will render a decision within a reasonable time after the hearing, and the decision will be forwarded to the student and/or parent(s)/guardian(s) in writing in their dominant language.
7. In the event a student has not attained the age of majority (eighteen years), notice containing the reason for the suspension and the duration thereof, the decision of the principal and the decision of the Superintendent shall be given to the parent(s) or guardian(s). Such notice shall be given in the parents' spoken language, unless it is clearly not feasible to do so.

Level 3 for Suspensions of Ten (10) Days or More and Exclusions

1. All suspensions of more than ten (10) days shall occur only after formal action by the school committee.
2. The student and/or parent(s)/guardian(s) shall be given oral or written notice of the charges against him/her and the proposed disciplinary consequence.
3. If the student denies the charges, the student shall be given an explanation of the evidence the authorities possess.
4. After being given the due process set forth above for suspensions of ten days or less, including hearings before the superintendent, prior to suspension for more than ten days or exclusion, except for such time as not feasible, as where the student's presence endangers persons or property or threatens disruption of the academic process, thus justifying immediate removal from school, the necessary notice or hearing before the school committee shall follow as soon as practicable, and the student and/or parent(s)/guardian(s) shall be afforded:
 - a) A clear, written statement of the reason for suspension or exclusion.
 - b) Notice of the right to prompt public hearing, at the student's and/or parent(s)/guardians(s) election, before the school committee, and the right of the student to be represented by counsel at such hearing; and
 - c) If a hearing is requested, the student and/or parent(s)/guardian(s) shall be given a prompt notice setting the time and place of such hearing, said time and place to be reasonably set so as to allow sufficient time for preparation without undue delay.
5. In the event a student has not attained the age of majority (eighteen years), the parent(s) or guardian(s) shall be afforded the procedures stated in section a, b and c, above. Such notice shall be written in the parent(s) or guardian(s) spoken language, unless it is clearly not feasible to do so.
6. The student shall be afforded the hearing at which the student shall have the right to:
 - a) Representation and participation by counsel;
 - b) The right to cross-examine witnesses and to present witnesses in his/her behalf.

7. There shall be a complete and accurate (stenographic or electronic) record of the hearing including all exhibits. The record shall be preserved for transmission to the Commissioner of Education as soon as possible in the event of an appeal.

8. The student shall be furnished a copy of the record without cost.

9. A written decision shall be rendered, within a reasonable time, based exclusively on the record detailing the reasons and factual basis therefor.

10. The student shall promptly be provided with a copy of said decision

11. A copy of the decision, together with the record, shall be promptly forwarded to the Commissioner of Education if there is an appeal.

Cranston, RI [R.I.G.L. § 16-21-30].

It is the policy of the Cranston Public Schools that all students be treated with respect. The purpose of this policy is to:

- Raise school-wide awareness about teen dating violence and sexual violence
- Provide direction in responding to incidents
- Prevent new incidents of dating violence and sexual violence.

At all times, school staff will model correct and courteous behavior to each other, to students, and to visitors to the school. Abusive or humiliating language or demeanor will not be accepted. An effort will be made to ensure that each student is well known by at least one certified teacher so that the student will have someone to turn to if abuse develops. To the extent possible the influence of cliques and other exclusive school groupings will be diminished by the creation of a range of inclusive school activities in which students will be encouraged to participate [R.I.G.L. 16-38-4. Exclusive clubs].

The Equal Employment Opportunity Commission (EEOC) has issued regulations under Title VII of the Civil Rights Act of 1964 entitled Sexual Harassment and Title IX of the Education Act of 1972, Anti-Discrimination Laws.

Social Skills Training: The school health program and school counseling services will include appropriate social skills training to help students avoid isolation and to help them interact in a healthy manner.

Responsibility of Students: Students who observe any act covered by this policy or who have reasonable grounds to believe an act is taking or has taken place in violation of this policy are

obligated to report the incident to school authorities. Failure to do so may result in disciplinary action.

Investigation: The principal or his or her designee shall investigate all allegations of acts in violation of this policy. Prohibition Against Retaliation: Retaliation or threats of retaliation in any form designed to intimidate a victim, those who are witnesses to an incident, or those investigating the incident, shall not be tolerated. In most cases, retaliation or threat of retaliation will result in imposition of a short or long-term school suspension. In appropriate cases, school officials will refer to [R.I.G.L. 11-42-2. Extortion and Blackmail] [R.I.G.L. 59-2 Stalking Prohibited].

Prohibition Against False Reporting: False reports of acts covered by this policy will be subject to appropriate school discipline, including short and long term suspension from school.

Rhode Island Statewide Bullying Policy

RHODE ISLAND STATEWIDE BULLYING POLICY

INTRODUCTION

This Statewide Bullying Policy is promulgated pursuant to the authority set for in §16-21-34 of the General Laws of Rhode Island. Known as the Safe School Act, the statute recognizes that the bullying of a student creates a climate of fear and disrespect that can seriously impair the student's health and negatively affect learning. Bullying undermines the safe learning environment that the students need to achieve their full potential. The purpose of the Policy is to ensure a consistent and unified statewide approach to the prohibition of bullying at school.

1. DEFINITIONS

BULLYING means the use by one or more students of a written, verbal or electronic expression or a physical act or gesture or any combination thereof directed at a student that:

1. Causes physical or emotional harm to the student or damage to the student's property;
2. Places the student in reasonable fear of harm to himself/herself or of damage to his/her property;
3. Creates an intimidating, threatening, hostile, or abusive educational environment for the student;
4. Infringes on the rights of the student to participate in school activities; or
5. Materially and substantially disrupts the education process or the orderly operation of a school.

The expression, physical act or gesture may include, but is not limited to, an incident or incidents that may be reasonably perceived as being motivated by characteristics such as:

Race, color, religion, ancestry, national origin, gender, sexual orientation, gender identity and expression or mental, physical or sensory disability, intellectual ability or by any other distinguishing characteristic. Bullying most often occurs as repeated behavior and often is not a single incident between the bullying/cyber-bullying offender(s) and the bullying victim(s).

CYBERBULLYING means bullying through the use of technology or any other electronic communication, which shall include, but not be limited to, any transfer of signs, signals, writing, images, sounds, data, texting or intelligence of any nature transmitted in whole or part by a wire, radio, electromagnetic, photo-electronic or photo optical system, including, but not limited to, electronic mail, internet communications, instant messages or facsimile communications.

Form of cyber-bullying may include but are not limited to:

- a. The creation of a web page or blog in which the creator assumes the identity of another person;
- b. The knowing impersonation of another person as the author of posted content or messages; or
- c. The distribution by electronic means of a communication to more than one person or the posting of materials on an electronic medium that may be accessed by one or more persons, if the creation, impersonation, or distribution results in any of the conditions enumerated in clauses (a) to (e) of the definition of bullying.

AT SCHOOL means:

- a. On school premises
- b. At any school-sponsored activity or event whether or not it is held on school premises
- c. On a school-transportation vehicle
- d. At an official school bus stop
- e. Using property or equipment provided by the school, or
- f. Acts which create a material and substantial disruption of the education process or the orderly operation of the school

2. SCHOOL CLIMATE

Bullying, cyber-bullying, and retaliation against any person associated with a report of bullying or the investigation thereof is prohibited in all school that are approved for the purpose of the compulsory attendance statute (§§16-19-1 and 16-19-2). School staff shall take all reasonable measures to prevent bullying at school. Such measures may include professional development and prevention activities, parental workshops, and student assemblies among other strategies. School faculty, administration and staff, at all times, will model courteous behavior to each other, to students, and to school visitors. Abusive or humiliating language or demeanor will not be accepted. Additionally, students and their families are expected to exhibit courteous behavior to all members of the learning community in school and at school sponsored events.

3. POLICY OVERSIGHT & RESPONSIBILITY

The school principal, director, or head of school shall be responsible for the implementation and oversight of this bullying policy. The school principal, director, or head of school shall provide the superintendent, school committee and/or school governing board with a summary report of incidents, responses, and any other bullying-related issues at least twice annually. For public schools, the prevention of bullying shall be part of the school district strategic plan (§16-7.1-2(e)) and school safety plan (§16-21-24).

4. INFORMATION DISSEMINATION

The school principal, director or head of school shall ensure that students, staff, volunteers, and parents/legal guardians are provided information regarding this Policy. This information shall include methods of discouraging and preventing this type of behavior, the procedure to file a complaint, and the disciplinary action that may be taken against those who commit acts in violation of this policy. This policy shall be:

- a. Distributed annually to students, staff, volunteers, and parents/legal guardians
- b. Included in student codes of conduct, disciplinary policies, and student handbooks

The school principal, director or head of school shall establish, and prominently publicize to students, staff, volunteers, and parents/guardians, how a report of bullying may be filed and how this report will be acted upon.

The victim of bullying, anyone who witnesses an incidence of bullying, and anyone who has credible information that an act of bullying has taken place may file a report of bullying.

Any student or staff member who believes he/she is being bullied should immediately report such circumstances to an appropriate staff member, teacher or administrator.

Parents / Guardians of the victim of bullying and parents/guardians of the alleged perpetrator of the bullying shall be notified within twenty-four (24) hours of the incident report. When there is a reasonable suspicion that a child is either a bully or a victim of bullying, the parents/guardians of the child will be notified immediately by the principal, director or head of school.

Responsibility of Staff: School staff, including volunteers, who observe an act of bullying or who have reasonable grounds to believe that bullying is taking place must report the bullying to school authorities. Failure to do so may result in disciplinary action.

Responsibility of Students: Students who observe an act of bullying or who have reasonable grounds to believe that bullying is taking place must report the bullying to school authorities. Failure to do so may result in disciplinary action. The victim of bullying, however, shall not be subject to discipline for failing to report the bullying. Student reports of bullying or retaliation may be made anonymously provided, however, that no disciplinary action shall be taken against a student solely on the basis of an anonymous report.

Prohibition against Retaliation: Retaliation or threats of retaliation in any form designed to intimidate the victim of bullying, those who are witnesses to bullying, or those investigating an incident of bullying shall not be tolerated. Retaliation or threat of retaliation will result in the imposition of discipline in accordance with the school behavior code.

False Reporting/Accusations: A school employee, school volunteer or student who knowingly makes a false accusation of bullying or retaliation shall be disciplined in accordance with the school behavior code.

Reports in Good Faith: A school employee, school volunteer, student, parent/legal guardian, or caregiver who promptly reports, in good faith, an act of bullying to the appropriate school official designated in the school's policy shall be immune from a cause of action for damages arising from reporting bullying.

6. INVESTIGATION/RESPONSE

The school principal, director or head of school shall promptly investigate all allegations of bullying, harassment, or intimidation. If the allegation is found to be credible, appropriate disciplinary actions, subject to applicable due process requirements, will be imposed. The School Resource Officer or other qualified staff may be utilized to mediate bullying situations. The investigation will include an assessment by the school psychologist and/or social worker of what effect the bullying, harassment or intimidation has had on the victim. A student who engages in continuous and/or serious acts of bullying will also be referred to the school psychologist and/or social worker.

Police Notification: Immediate notification of the local law enforcement agency will be made when circumstances warrant the pursuit of criminal charges against the perpetrator.

Protection: If a student is the victim of serious or persistent bullying:

- a. The school principal, director or head of school will intervene immediately to provide the student with a safe educational environment.
- b. The interventions will be developed, if possible, with input from the student, his or her parent(s)/guardian(s), and staff.
- c. The parent(s)/guardian(s) of a victim shall also be notified of the action taken to prevent any further acts of bullying or retaliation.

7. DISCIPLINARY ACTION

Disciplinary actions, which result from a violation of the bullying policy, shall be determined by the school/district appropriate authority. Disciplinary actions for violations of the bullying policy shall balance the need for accountability with the need to teach appropriate behavior. The severity of the disciplinary action shall be aligned to the severity of the bullying behavior. The range of disciplinary actions that may be taken against a perpetrator for bullying, cyberbullying or retaliation shall include, but not be limited to:

9. SOCIAL NETWORKING

Students shall be prohibited from accessing social networking sites in school, except for educational or instructional purposes and with the prior approval from school administration.

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Cranston Public Schools, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child’s education records. However, Cranston Public Schools may disclose appropriately designated “directory information” without written consent, unless you have advised Cranston Public Schools to the contrary in accordance with the school district’s procedures. The primary purpose of directory information is to allow Cranston Public Schools to include information from your child’s education records in certain school publications. Examples include:

educational agencies (LEAs) receiving assistance under the Elementary and Secondary Education Act of 1965, as amended (ESEA) to provide military recruiters, upon request, with the following information – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student’s information disclosed without their prior written consent.

If you do not want Cranston Public Schools to disclose any or all of the types of information designated below as directory information from your child’s education records without your prior written consent, you must notify the school district in writing at the beginning of each school year. - A student ID number or other unique personal identifier that is displayed on a student ID badge, but only if the identifier cannot be used to gain access to education records except when used to authenticate user’s identity.

Affirmation of Residency Affidavit

The Cranston Public Schools has constantly established a reputation for excellence, and due to their success and Cranston's proximity to other urban areas, Cranston Public Schools may occasionally attract students who may not live in Cranston.

The committee hereby authorizes the superintendent to include and require the attached affidavit (see Exhibit A) to be signed (along with the disciplinary code *Letter of Understanding*) at the beginning of each school year, or in the case of new students entering during the school year, before such students are admitted.

This affidavit should identify the student, his or her parent, guardian, or approved caretaker along with the legal Cranston address where the student resides.
