

Calling All Los Coyotes Parents/Grandparents For Our New Greeter Program!

Los Coyotes Elementary is a reflection of our great community, with lots of parents on campus helping in the classroom, with PTSO, etc.

Our school is a leader in our community because of our amazing parents!

We are hoping to recruit some smiling faces to help greet our families and students in the mornings at the north and south gates, along with our back gate. We also need help in our parking lots with greeting kids as they are dropped off at valet, and to help safely guide families to the gates. And of course to greet our families!

Volunteering would take place in the mornings from about 7:40 – 8:05. You can help as often as you would like. This is a great opportunity to lend a hand with school, and to meet more families and students!

We pride ourselves that Los Coyotes is a fun, safe, family-oriented school. Please join us in our new program, to help continue our great traditions, and start new ones!

If you are interested, please fill out the bottom, and return with your child to school by **Friday, October 12**. We will send you an email with more information. If you have any questions, please email Karen Moore at lcgreeters@yahoo.com.
