

SURVIVE the 11th grade math

This is a short-term workshop for all 11th graders with a step by step survival plan for tackling the math CAASPP.

- Start: Monday, **April 1**
- Days: **Mondays** and **Wednesdays**
- Time: 9:00-10:30
- Room: Valley Oak
- Ends: Wednesday, **May 1** (right before the test starts)
- 7 meeting sessions
- All 11th graders are invited

We will review all the test questions from the sample test. You will understand each question and the best strategy to solve it. We will discuss the multiple choice questions and Performance Task. We will practice with the calculators and the online graphing features embedded in the test.

YOU WILL SURVIVE

AND SOAR LIKE AN EAGLE
