

Anti Bullying Policy/Fighting

Lifeline believes all students have the right to a safe and civil learning environment. Discrimination, harassment, intimidation, and bullying are all disruptive behaviors which interfere with students' ability to learn, negatively affect student engagement, diminish school safety, and contribute to a hostile school environment. As such, Lifeline prohibits any acts of discrimination, harassment, intimidation, and bullying related to school activity or school attendance. This policy is inclusive of instances that occur on any area of the school campus, at school-sponsored events and activities, regardless of location, through school-owned technology, and through other electronic means, consistent with this policy.

Definitions

"Bullying" means any severe or pervasive physical or verbal act or conduct, including communications made in writing or by means of an electronic act, and including one or more acts committed by a student or group of students which would be deemed hate violence or harassment, threats, or intimidation, which are directed toward one or more students that has or can be reasonably predicted to have the effect of one or more of the following:

1. Placing a reasonable student (defined as a student, including, but is not limited to, a student with exceptional needs, who exercises average care, skill, and judgment in conduct for a person of his or her age, or for a person of his or her age with exceptional needs) or students in fear of harm to that student's or those students' person or property.
2. Causing a reasonable student to experience a substantially detrimental effect on his or her physical or mental health.
3. Causing a reasonable student to experience substantial interference with his or her academic performance.
4. Causing a reasonable student to experience substantial interference with his or her ability to participate in or benefit from the services, activities, or privileges provided by Lifeline.

"Electronic Act" means the transmission by means of an electronic device, including, but not limited to, a telephone, wireless telephone, or other wireless communication device, computer, or pager, of a communication, including, but not limited to, any of the following:

1. A message, text, sound, or image.
2. A post on a social network Internet Web site including, but not limited to:
 1. Posting to or creating a burn page. A "burn page" means an Internet Web site created for the purpose of having one or more of the effects as listed in subparagraph (1) above.
 2. Creating a credible impersonation of another actual pupil for the purpose of having one or more of the effects listed in subparagraph (1) above. "Credible impersonation" means to knowingly and without consent impersonate a pupil for the purpose of bullying the pupil and such that another pupil would reasonably believe, or has reasonably believed that the pupil was or is the pupil who was impersonated.

3. Creating a false profile for the purpose of having one or more of the effects listed in subparagraph (1) above. "False profile" means a profile of a fictitious pupil or a profile using the likeness or attributes of an actual pupil other than the pupil who created the false profile.
3. Notwithstanding subparagraphs (1) and (2) above, an electronic act shall not constitute pervasive conduct solely on the basis that it has been transmitted on the Internet or is currently posted on the Internet.

Reporting

All staff is expected to provide appropriate supervision to enforce standards of conduct and, if they observe or become aware of discrimination, intimidation, harassment, or bullying, to intervene as soon as it is safe to do so, call for assistance, and report such incidents. The Board requires staff to follow the procedures in this document for reporting alleged acts of bullying.

All other members of the school community, including students, parents/guardians, volunteers, and visitors, are encouraged to report any act that may be a violation of this document to the Director or designee. While submission of a written report is not required, the reporting party is encouraged to use the report form available in the Main Office. However, oral reports shall also be considered. Reports may be made anonymously, but formal disciplinary action cannot be based solely on anonymous information.

Students are expected to report all incidents of discrimination, intimidation, harassment, bullying, teasing, or other verbal or physical abuse. Any student who feels s/he is a target of such behavior should immediately contact a teacher, counselor, principal, or staff person so that she/he can get assistance in resolving the issue consistent with this policy.

The Charter School acknowledges and respects every individual's rights to privacy. To that end, consistent with legal requirements, all reports shall be investigated in a manner that protects the confidentiality of the parties and the integrity of the process to the greatest extent possible.

The Charter School prohibits any form of retaliation against any reporter in the reporting process, including but not limited to a reporter's filing of a complaint or the reporting of violations of this policy. Such participation shall not in any way affect the status, grades or work assignments of the reporter.

Investigation

Upon receipt of a report of harassment, intimidation, or bullying from a student, staff member, parent, volunteer, visitor or affiliate of the Charter School, the Director or designee will promptly initiate an investigation. At the conclusion of the investigation, the Director or designee will notify the complainant of the outcome of the investigation. However, in no case may the Director or designee reveal confidential student information related to other students, including the type and extent of discipline issued against such students.

Complaints shall be investigated and resolved within thirty (30) school days, unless circumstances reasonably require additional time.

All records related to any investigation of discrimination, harassment, intimidation or bullying will remain in a secure location in the Main Office of the Charter School.

In those instances when the complaint filed under this policy also requires investigation under the Uniform Complaint Procedures, such investigation will be undertaken concurrently.

Appeal

Should the Complainant find the Director or designee resolution unsatisfactory, he/she may within five (5) school days of the date of resolution, file an appeal with the Designated Appeals Committee. In such cases, at least three (3) certificated School employees who are unfamiliar with the case and who have been previously designated and trained for this purpose shall be assembled to conduct a confidential review of the Complainant's appeal and render a final disposition.

Consequences

Students who engage in discrimination, harassment, intimidation or bullying may be subject to disciplinary action, up to and including suspension and/or expulsion, as outlined in the Student Discipline Policy of the Charter School.

Fighting

Lifeline does not tolerate fighting or bullying. Students who participate in fighting and/or bullying will be disciplined as stated in the Student Code of Conduct.

As used in this policy, "discrimination, harassment, intimidation, and bullying" describe the intentional conduct, including verbal, physical, written communication, or cyber-bullying, that is based on the actual or perceived characteristics of disability, gender, gender identity, gender expression, nationality, race or ethnicity, religion, sexual orientation, or association with a person or group with one or more of these actual or perceived characteristics. In addition, bullying encompasses any conduct described in the definitions set forth in this document.

To the extent possible, the Lifeline will make reasonable efforts to prevent students from being discriminated against, harassed, intimidated and/or bullied, and will take action to investigate, respond, and address any reports of such behaviors in a timely manner. Charter School staff who witness acts of discrimination, harassment, intimidation, and bullying will take immediate steps to intervene, so long as it is safe to do so.
