

## Alternatives to Suspension or Expulsion Policy

---

### **I. Board Policy**

It is the policy of the Summit Academy board of trustees to offer alternatives to suspension or expulsion pursuant to **Code 53A-11-906**.

Prior to expelling or suspending a student for repeated acts of willful disobedience, defiance of authority, or disruptive behavior which are not of such a violent or extreme nature that immediate removal is required, good faith efforts shall be made to implement a remediation discipline plan that would allow the student to remain in school.
