Dear Parent/Guardian,

Your student has been invited to participate in Tuffree's STEM Saturday Program on Saturday April 6, 2019 from 8:00am to 12:00pm. This program is taught by Tuffree teachers and will focus on engaging students with STEM (which stands for Science, Technology, Engineering, and Mathematics) activities. Assistance in other subjects such as Language Arts, Math, Social Studies, Science, Physical Education and our Elective Programs can be provided.

By attending STEM Saturday, your student has the opportunity to make up and clear a school absence from earlier this school year. There is no charge to attend. Tuffree will receive state funding by recovering ADA (Average Daily Attendance) funds for days lost due to student absences. A 30 minute nutrition time will also be part of the morning activities. Students may purchase or bring a nutritious snack, or if a student receives free lunch during a regular school day, this will be available.

Tuffree's STEM Saturday program is not for disciplinary reasons. It is for students to receive additional help on schoolwork, enrichment opportunities, or removing an absence from attendance records. Please take a moment to fill out the bottom portion of this letter and return it to the school office by Friday April 5, 2019.

Sincerely,
Mr. LeGrand
STEM Saturday Coordinator

Please cut along the line above and return the bottom portion to the school office by Friday April 5, 2019.

____ Yes, my child will attend the Tuffree STEM Saturday Program on Saturday April 6, 2019 from 8:00am to 12:00pm.
