Advanced Placements courses are entry-level college courses, and require an end-of-year exam. Taking one or more of these courses benefit students in multiple ways, including strengthening eligibility to be accepted to 4-year universities, as well earn college credits at minimal cost. However, Advanced Placement courses require commitment from everyone:

- 1) Commitment to strive for academic excellence
- 2) An understanding and acceptance of the time commitment
- 3) Participation in end-of-year exams (fees apply)
- 4) Parental approval and support

*Please initial next to all the AP courses you are requesting. Please note, checking the boxes does not guarantee enrollment, but rather a consideration. Counselors will make decisions based on transcript review, teacher recommendations, and academic history.*
