Good Morning 8th Grade Families,

I’ve received many emails in regards to the high school progress, please continue to send questions to Btang@is228.org. I am here to support you and your child throughout this process.

As I receive information about the waitlist progress, I will send it out through Remind App and post it on our school website.

Updated Information 3/23/2020

- Waitlists will be open throughout the spring and will close at the end of July 2020. High schools may make waitlist offers at any time until July 24, and families can respond to a waitlist offer until July 30
- Information about waitlists for families is on our waitlists page: schools.nyc.gov/waitlists

Starting today, families can do the following in MySchools (myschools.nyc):

- See the waitlists that their child is on and their position on each waitlist.
- Add their child to additional waitlists.
- Accept or decline a waitlist offer if they receive one.
- Accept or decline a Specialized High School offer. Like previous years, this is only relevant for students who received an offer from their application and an offer to a Specialized High School; students with one admissions offer are defaulted to accept that offer.

Reminders:

- Families can get their high school offer letters online in MySchools (myschools.nyc), which includes results from the high school application and any Specialized HS admissions results, if applicable.
- Like previous years, offer letters include the results from the student’s high school application and the results from the Specialized High Schools admissions processes, if applicable (both the Specialized High Schools Admissions Test and LaGuardia High School auditions).
- Families who have an account in MySchools can easily re-set their password if they are having trouble logging in. They can re-set their password themselves on the login page: https://www.myschools.nyc/en/account/log-in/
- Families who do not have an account in MySchools can still create one. Instructions for supporting families in creating an account and adding their child in MySchools are
available here in section 4: https://docs.google.com/document/d/12UJiWYlQifMP-gVk_LgV4mXqBhOAIVsUYRyZCKFJmM/edit?usp=sharing

- Family Welcome Centers are temporarily closed, but can be reached via email. Please see the our website for more information: https://www.schools.nyc.gov/enrollment/enrollment-help/family-welcome-centers
