

San Lorenzo High School

School Accountability Report Card

Reported Using Data from the 2016-17 School Year

Published During 2017-18

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at <http://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at <http://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest Web page at <http://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

About This School

Contact Information (School Year 2017-18)

School Contact Information	
School Name	San Lorenzo High School
Street	50 East Lewelling Blvd.
City, State, Zip	San Lorenzo, CA 94580
Phone Number	(510) 317-3100
Principal	Allison Silvestri
E-mail Address	asilvestri@slzusd.org
Web Site	www.sanlorenzousd.k12.ca.us
CDS Code	01-61309-0137810

District Contact Information	
District Name	San Lorenzo Unified School District

School Description and Mission Statement (School Year 2017-18)

Mission

The San Lorenzo Unified School District teachers and staff will collaborate with families and the community to cultivate safe learning environments and ensure equitable opportunities and outcomes for all students. All students will become engaged community members contributing to, and becoming good stewards of, our changing world. All students will reach their highest potential as creative and critical thinkers, prepared for college, career and life-long learning.

Vision

Students will become creative, collaborative, compassionate, resilient, well-informed and socially responsible advocates for equity and social justice as a result of their education.

As a member school of San Lorenzo Unified School District, San Lorenzo High School, known affectionately as SLZ, opened in 1951 and is one of two comprehensive high schools in the San Lorenzo Unified School District. The school is situated on the east side of the unincorporated community of San Lorenzo, a culturally diverse, semi-urban, working class community in the East San Francisco Bay area in northern California. San Lorenzo High School, like many high schools in our nation, have undergone recent changes to respond to an achievement gap that persists to this day. All students in grades nine - twelfth are enrolled in one of three Smaller Learning Communities: Law, Leadership, and Culture (LLC), Green Engineering and Technology (Green), and Bay Area Digital Arts (BADA), the latter is a California Partnership Academy (CPA) program. This change has enabled us to leverage the strong positive teacher-student relationships for which the school is known for to build rigor, close the achievement gap, and provide equitable learning outcomes for all so that each and every student graduates on time college, career, life ready.

San Lorenzo High School continues the important work of aligning all curriculum and instruction to the California Common Core State Standards using an approach that values increasing academic and instructional rigor and academic discourse in order to bolster student learning and mastery of grade level skills. Through examining the key instructional shifts in the standards, discussing the implications of such shifts for both core content and electives courses, considering changes in instruction and assessment, and most recently, evaluating the levels of rigor currently offered in curriculum and assessments, teachers continue to create a strong foundation by which to meet the demands of the new standards. Professional development has taken place using a variety of resources and tools, including group readings of peer-reviewed major publications, county level professional development, site level professional development, department chair-led activities, whole staff activities, and individual reflections.

Our school plan acknowledges the school wide areas of strength and addresses the school wide areas of concern that the WASC team suggested from our most recent year. The English Language Development (ELD) department at San Lorenzo High School is dedicated to ensuring that English Language Learners (ELLs) acquire English as quickly as possible in order to attain English proficiency. The Leadership class trains Student Body officers and commissioners in the essentials of leadership while serving the school via participation in a wide variety of projects, activities and events throughout their year of office. The school newspaper continues to thrive as one of our school's primary communication tools for students. Articles are relevant, timely, and interesting. Going Green -- We have several green efforts on campus including our native garden, a very active Druids Club, weekly recycling, and our Green academy. We collaborate with an on-site health clinic to provide services to community and students on campus.

Student Enrollment by Grade Level (School Year 2016-17)

Grade Level	Number of Students
Grade 9	324
Grade 10	386
Grade 11	355
Grade 12	317
Ungraded Secondary	12
Total Enrollment	1,394

Student Enrollment by Group (School Year 2016-17)

Student Group	Percent of Total Enrollment
Black or African American	15.6
American Indian or Alaska Native	0.1
Asian	7.8
Filipino	5.6
Hispanic or Latino	61.3
Native Hawaiian or Pacific Islander	1.4
White	6.6
Two or More Races	0.9
Socioeconomically Disadvantaged	78.6
English Learners	18.6
Students with Disabilities	11.9
Foster Youth	0.7

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Teacher Credentials

Teachers	School			District
	2015-16	2016-17	2017-18	2017-18
With Full Credential	62	62	64	503
Without Full Credential	2	1		6
Teaching Outside Subject Area of Competence (with full credential)	0	2	3	11

Teacher Misassignments and Vacant Teacher Positions

Indicator	2015-16	2016-17	2017-18
Misassignments of Teachers of English Learners	0		
Total Teacher Misassignments *	0		
Vacant Teacher Positions	0		

Note: "Misassignments" refers to the number of positions filled by teachers who lack legal authorization to teach that grade level, subject area, student group, etc.

* Total Teacher Misassignments includes the number of Misassignments of Teachers of English Learners.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2017-18)

Year and month in which data were collected: October 2015

Schools in the San Lorenzo Unified School District (SLZUSD) are supplied with the instructional materials needed for student learning. Textbooks are reviewed and adopted to coincide with the State curriculum adoption cycle. The SLZUSD Board of Education approves texts and instructional materials selections. The Instructional Materials Evaluation Oversight Committee certifies that the District's instructional materials adoption policies have been followed before texts and materials are brought to the School Board for adoption.

The instructional materials evaluation process includes evaluations of materials by teachers, parents, students, and administrators, as well as a public notice and a two-week public display period. Instructional materials are purchased to provide all core texts and also to provide supplemental materials to enrich and support all curricular areas.

Each pupil has access to his or her own copy of the Standards-aligned textbooks (approved by the local Board of Education) in the core curriculum areas of reading/language arts, math, science, history/social science, foreign language, and health to use in class and to take home.

The IMTC brings all high school core and elective texts and materials to the Board of Education for approval after a review of the evaluation process. All high school students have access to core texts and instructional materials to use in the classroom and at home for homework. All high school adoptions are cataloged and referenced on a District list available in the Instructional Materials Technology Center and provided on the District's Web site, www.slzsd.org.

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Reading/Language Arts	Reader's Choice, California, Course 4 & 5, Glencoe, 2002 (9-10) Adopted in 2008 Literature: World Masterpieces, Prentice Hall, 2004 (9-10) Adopted in 2008	Yes	0%

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
Mathematics	California Algebra 1, Concepts, Skills, and Problem Solving, Glencoe, 2008 Adopted in 2008 Calculus of a Single Variable, Houghton Mifflin, 2006 Adopted 2008 Precalculus with Trigonometry, Key Curriculum Press, 2012 Adopted 2013 Math & You, Larson Texts, Inc. 2013 Adopted 2013	Yes	0%
Science	Conceptual Physical Science Exploration, Addison Wesley, 2003 Adopted in 2008 Essentials of Anatomy and Physiology, McGraw-Hill, 2006 Adopted in 2008 Holt Physics, Holt, Rinehart & Winston, 2002 Adopted in 2008 Biology: Exploring Life, Prentice Hall, 2006 Adopted in 2008 Chemistry, Houghton Mifflin, 2000 Adopted in 2008 Holt Environmental Science, Holt, 2000 Adopted in 2008 Introductory Chemistry, Houghton Mifflin, 2000 Adopted in 2008	Yes	0%

Subject	Textbooks and Instructional Materials/ Year of Adoption	From Most Recent Adoption?	Percent of Students Lacking Own Assigned Copy
History-Social Science	American Government: Continuity and Change, Pearson-Longman, 2004 Adopted in 2008 MacGruder's American Government, Prentice Hall, 2002 Adopted in 2008 American Pageant, Houghton Mifflin, 2003 Adopted in 2008 Modern World History: Patterns of Interaction, McDougal Littell, 2003 Adopted in 2008 Economic Principle and Practices, Glencoe McGraw- Hill, 1999 Adopted in 2008 The Americans, McDougal Littell, 1998 Adopted 2008	Yes	0%

Health	Lifetime Health -- Holt, Rinehart, Winston, 2004 Adopted in 2008	Yes	0%
Visual and Performing Arts			0%
Science Laboratory Equipment (grades 9-12)	All equipment needed for courses is provided for students	Yes	0%

School Facility Conditions and Planned Improvements (Most Recent Year)

San Lorenzo High School's main buildings date back to the early days of the school in the 1950s. The school has five main older buildings and two new building (with monies from Measure E,) two gymnasiums, a football field, a track, three baseball/softball fields, two soccer fields, a dance studio, a weight room, and large open areas. All classrooms and bathrooms meet Americans with Disabilities Act (ADA) standards and all buildings are wheelchair accessible. Measure O, passed in 2008, has provided us a state-of-the-art football and track, baseball and softball fields, as well as two new science rooms and a video production facility. In addition, the newly created "BADA Building" is open, serving students with a multimedia an design educational experience.

The entire school has wireless Internet access. The school has an e-Learning partnership with Dell computers. Most students have access to laptops in addition to four computer labs and multiple computer stations in the library.

San Lorenzo High School custodial and maintenance staff keep the school clean and well maintained. The school has an approved Safety Plan of action for dealing with earthquakes, fires, lockdowns, intruders, and other emergency situations. Staff supervisors monitor students during school-sponsored nutrition breaks, lunch, or other assigned outdoor activities.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The overall rating

School Facility Good Repair Status (Most Recent Year)				
Year and month of the most recent FIT report: 4/2016				
System Inspected	Repair Status			Repair Needed and Action Taken or Planned
	Good	Fair	Poor	
Systems: Gas Leaks, Mechanical/HVAC, Sewer	X			
Interior: Interior Surfaces			X	
Cleanliness: Overall Cleanliness, Pest/Vermin Infestation	X			
Electrical: Electrical		X		Various outlet covers broken. Fire penetrations need fire caulk
Restrooms/Fountains: Restrooms, Sinks/Fountains		X		
Safety: Fire Safety, Hazardous Materials			X	Ground squirrel holes have become a tripping hazard
Structural: Structural Damage, Roofs	X			
External: Playground/School Grounds, Windows/ Doors/Gates/Fences			X	Door hardware is old and needs to be repaired or replaced.

Overall Facility Rating (Most Recent Year)

Year and month of the most recent FIT report: 4/2016				
Overall Rating	Exemplary	Good	Fair	Poor

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

CAASPP Test Results in English Language Arts/Literacy (ELA) and Mathematics for All Students Grades Three through Eight and Grade Eleven

Subject	Percent of Students Meeting or Exceeding the State Standards (grades 3-8 and 11)					
	School		District		State	
	2015-16	2016-17	2015-16	2016-17	2015-16	2016-17
English Language Arts/Literacy (grades 3-8 and 11)	43	25	37	35	48	48
Mathematics (grades 3-8 and 11)	27	15	27	26	36	37

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

CAASPP Test Results in ELA by Student Group Grades Three through Eight and Grade Eleven (School Year 2016-17)

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	344	327	95.06	25.15
Male	193	187	96.89	19.89
Female	151	140	92.72	32.14
Black or African American	56	52	92.86	9.62
American Indian or Alaska Native	--	--	--	--
Asian	29	27	93.1	25.93
Filipino	16	16	100	37.5
Hispanic or Latino	209	202	96.65	25.37
Native Hawaiian or Pacific Islander	--	--	--	--
White	22	19	86.36	47.37
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	287	274	95.47	24.91
English Learners	100	95	95	5.32
Students with Disabilities	36	31	86.11	3.33
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Mathematics by Student Group
Grades Three through Eight and Grade Eleven (School Year 2016-17)**

Student Group	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	344	330	95.93	15.2
Male	193	186	96.37	12.97
Female	151	144	95.36	18.06
Black or African American	56	51	91.07	9.8
American Indian or Alaska Native	--	--	--	--
Asian	29	28	96.55	39.29
Filipino	16	16	100	25
Hispanic or Latino	209	204	97.61	12.75
Native Hawaiian or Pacific Islander	--	--	--	--
White	22	20	90.91	10
Two or More Races	--	--	--	--
Socioeconomically Disadvantaged	288	276	95.83	15.94
English Learners	100	95	95	11.7
Students with Disabilities	36	32	88.89	3.13
Students Receiving Migrant Education Services	--	--	--	--
Foster Youth	--	--	--	--

Note: Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3--Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Note: Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Test Results in Science for All Students
Grades Five, Eight, and Ten**

Subject	Percent of Students Scoring at Proficient or Advanced					
	School		District		State	
	2014-15	2015-16	2014-15	2015-16	2014-15	2015-16
Science (grades 5, 8, and 10)	35	24	47	44	56	54

Note: Science test results include California Standards Tests (CSTs), California Modified Assessment (CMA), and California Alternate Performance Assessment (CAPA) in grades five, eight, and ten.

Note: Scores are not shown when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The 2016-17 data are not available. The California Department of Education is developing a new science assessment based on the Next Generation Science Standards for California Public Schools (CA NGSS). The new California Science Test (CAST) was piloted in spring 2017. The CST and CMA for Science will no longer be administered.

Career Technical Education Programs (School Year 2016-17)

Our emerging career themed Smaller Learning Communities (SLC) have developed four year plans that provide all students with college and career preparation opportunities in high school. Currently Bay Area Digital Arts (BADA) SLC is the only California Partnership Academy on campus. These students complete a sequential course of study in our arts, communication, and technology pathway, which includes a partnership with a local Cineplex and/ or Ohlone College.

Course Sequences:

- Multi Media/Web Design (Introduction)
- Video/TV Production (ROP) (Concentration)
- Video Production, Advanced (ROP) (Concentration)
- Media Arts (ROP) (Capstone)

Detailed annual reports are required, prepared, and provided to the State and include data regarding GPAs, NWEA standardized tests, interim and end-of-course exams, graduation rates on each individual student, and D/F lists. This data is compared with students in the traditional program.

Over 10% of our students attend the Eden Area ROP program. They take half of their classes during either their Junior or Senior years in areas including Forensics, Culinary Arts, Automotive Repair, Construction, Graphic Design, Criminal Justice, and more. Some of these courses offer students the ability to satisfy graduation requirements in Science or Math.

A number of students in our Special Day Class work on campus on a daily basis, earning money and learning about what it's like to be an employee. Other students with special needs have joined the Merchandising program at ROP. The focus of this program is to prepare students for living on their own with lessons involving all aspects of independent living.

Career Technical Education Participation (School Year 2016-17)

Measure	CTE Program Participation
Number of pupils participating in CTE	520
% of pupils completing a CTE program and earning a high school diploma	27%
% of CTE courses sequenced or articulated between the school and institutions of postsecondary education	50%

Courses for University of California (UC) and/or California State University (CSU) Admission

UC/CSU Course Measure	Percent
2016–17 Pupils Enrolled in Courses Required for UC/CSU Admission	95.63
2015–16 Graduates Who Completed All Courses Required for UC/CSU Admission	39.85

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8):

- Pupil outcomes in the subject areas of physical education.

California Physical Fitness Test Results (School Year 2016-17)

Grade Level	Percent of Students Meeting Fitness Standards		
	Four of Six Standards	Five of Six Standards	Six of Six Standards
9	19.4	17.8	31.4

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement (School Year 2017-18)

Parents may become involved at San Lorenzo High School via Parent-Teacher-Student Association, School Site Council, Site English Language Acquisition (SELAC) committee, or our Special Education Parent Group. We also have unique programs where parent involvement is necessary, including the Health Center and EAOP (Early Academic Outreach Program, in partnership with the University of California, and Upward Bound in partnership with Cal State University).

The school sponsors a series of annual parent nights to inform and engage parents. These include: a District College Night, Financial Aid Nights, Report Card Nights, Incoming Ninth Grade Parent Night, Poetry Evenings, ELAC Family Night, Parent-to-School, and Student Recognition Nights. Parents who just wish to volunteer some time instead of serving on a committee can chaperone school activities, serve as tutors, or assist in the library or offices.

State Priority: Pupil Engagement

The SARC provides the following information relevant to the State priority: Pupil Engagement (Priority 5):

- High school dropout rates; and
- High school graduation rates.

Dropout Rate and Graduation Rate (Four-Year Cohort Rate)

Indicator	School			District			State		
	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16	2013-14	2014-15	2015-16
Dropout Rate	8.5	4.7	7.3	10.7	7.2	8.5	11.5	10.7	9.7
Graduation Rate	88.1	91.76	88.04	85.42	89.32	87.73	80.95	82.27	83.77

Completion of High School Graduation Requirements - Graduating Class of 2016 (One-Year Rate)

Group	Graduating Class of 2016		
	School	District	State
All Students	88.67	90.97	87.11
Black or African American	76.19	83.47	79.19
American Indian or Alaska Native	100	100	80.17
Asian	84.62	97.33	94.42
Filipino	100	100	93.76
Hispanic or Latino	92.09	90.3	84.58
Native Hawaiian/Pacific Islander	33.33	77.78	86.57
White	87.5	90.53	90.99
Two or More Races	100	80	90.59
Socioeconomically Disadvantaged	89.14	92.82	85.45
English Learners	47.62	54.55	55.44
Students with Disabilities	50	64.21	63.9
Foster Youth	66.67	40	68.19

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

Suspensions and Expulsions

Rate	School			District			State		
	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17	2014-15	2015-16	2016-17
Suspensions	8.2	12.0	9.8	4.6	4.8	4.5	3.8	3.7	3.6
Expulsions	0.1	0.0	0.0	0.0	0.0	0.1	0.1	0.1	0.1

School Safety Plan (School Year 2017-18)

School safety is a priority at San Lorenzo High School. Our four administrators, three campus supervisors, and one part-time campus supervisor work collaboratively to ensure that all students feel physically and emotionally safe at all times while at school and while participating in school activities. Positive, caring teacher and student relationships are a hallmark of the school. Teachers spend many hours outside class time providing needed support and encouragement to students.

Site administration creates a school calendar with a multitude of activities to promote school safety and create a strong, positive, healthy environment on campus. These activities include: Welcome/Expectations Assembly, Back-to-School Night, Senior Parent Meeting, Homecoming week, and Spirit. School clubs provide opportunities for students to take leadership in school safety and positive school climate. Our school farm provides us with healthy food choices and opportunities to try new vegetables.

School counselors and community agencies provide individual and small group counseling for students in need.

Our safety plan addresses preparedness and response to earthquake, fire, intruders, bomb threats/explosions, fallen aircraft, hazardous materials, severe weather, utility failure, and helping students cope with disaster. Practice drills are held per an established schedule. Our school safety plan was last updated before the 2016-17 school year and reviewed with staff.

D. Other SARC Information

The information in this section is required to be in the SARC but is not included in the state priorities for LCFF.

Federal Intervention Program (School Year 2017-18)

Indicator	School	District
Program Improvement Status		In PI
First Year of Program Improvement		2004-2005
Year in Program Improvement*		Year 3
Number of Schools Currently in Program Improvement	N/A	8
Percent of Schools Currently in Program Improvement	N/A	80

Note: Cells with N/A values do not require data.

Average Class Size and Class Size Distribution (Secondary)

Subject	2014-15			2015-16			2016-17					
	Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms			Avg. Class Size	Number of Classrooms		
		1-22	23-32	33+		1-22	23-32	33+		1-22	23-32	33+
English	25	18	47	2	24	27	40	4	23	21	47	1
Mathematics	27	11	33	7	27	10	27	11	26	14	26	9
Science	32	1	20	18	29	6	20	15	29	6	23	12
Social Science	29	4	20	12	27	6	23	8	27	7	23	8

Note: Number of classes indicates how many classrooms fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Academic Counselors and Other Support Staff (School Year 2016-17)

Title	Number of FTE Assigned to School	Average Number of Students per Academic Counselor
Academic Counselor	4.0	400
Counselor (Social/Behavioral or Career Development)		N/A
Library Media Teacher (Librarian)	1.0	N/A
Library Media Services Staff (Paraprofessional)	0.5	N/A
Psychologist	1	N/A
Social Worker	1	N/A
Nurse	0.5	N/A
Speech/Language/Hearing Specialist	0.2	N/A
Resource Specialist		N/A
Other		N/A

Note: Cells with N/A values do not require data.

*One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Expenditures per Pupil and School Site Teacher Salaries (Fiscal Year 2015-16)

Level	Expenditures Per Pupil			Average Teacher Salary
	Total	Supplemental/ Restricted	Basic/ Unrestricted	
School Site	\$5,955	\$135	\$5,820	\$70,356
District	N/A	N/A	\$7,743	\$79,561
Percent Difference: School Site and District	N/A	N/A	-24.8	-11.6
State	N/A	N/A	\$6,574	\$77,824
Percent Difference: School Site and State	N/A	N/A	-11.5	-9.6

Types of Services Funded (Fiscal Year 2016-17)

San Lorenzo High School offers the following supplemental programs to help students graduate on time - college, career, life ready:

21st Century grant funds our extended day learning program which offers academic help and enrichment programs (for example arts, dance, leadership) before and after school hours.

SLC funds provide teacher leaders the time needed to create inclusive career themed communities/academies which support our college/career preparedness. California Partnership Academy (CPA) monies provide release time for a teacher to develop mentoring and internship opportunities for students and connections/collaboration with community colleges in an effort to provide our high school students with college coursework their junior and senior years in high school.

We receive federal and state monies to provide our newcomer and English Learner students additional support while they are acquiring academic English language. Funds from these programs also support teacher training, as well as services specifically targeting our students that are socio-economically disadvantaged.

Federal monies provide small group instruction and case management for our identified Special Ed students.

State monies provide our newer teachers training and assistance throughout their first two years of credentialed experience.

Student achievement data is reviewed regularly; results from these conversations help our School Site Council (SSC) create the annual plans and activities described above.

Teacher and Administrative Salaries (Fiscal Year 2015-16)

Category	District Amount	State Average for Districts In Same Category
Beginning Teacher Salary	\$51,265	\$48,522
Mid-Range Teacher Salary	\$75,053	\$75,065

*Where there are student course enrollments of at least one student.

Professional Development (Most Recent Three Years)

San Lorenzo Unified School District promotes the development and maintenance of Professional Learning Communities (PLC) within departments and Smaller Learning Communities. Common Planning Time (CPT) takes place on the San Lorenzo campus every Wednesday afternoon. CPT includes opportunities for ELD and SPED integration and strategies to teach these student populations. Additionally, these teacher-led groups meet regularly to review student achievement data, collaboratively plan and revise instruction so that all students have every opportunity to meet and exceed course standards and meet district goals. The district has provided opportunities for many teachers, especially those that teach English, Math, and Science to be trained in the Common Core. Ongoing collaboration is facilitated by site, district, and outside entities to further support the development of curriculum and new strategies for Common Core implementation. Further, we have a strong secondary focus on Academic Discourse as a gateway to better success in CCSS.

In addition to ongoing site-based professional development, all teachers have the opportunity to improve their skills by taking college courses, workshops, online learning, and workshops offered by the County Office of Education. Categorical funds provide opportunities to attend professional conferences aligned to district goals.

Since the integration of technology is important to student success, teachers also have access to technology integration workshops at the District's training center; these workshops are offered monthly and also during the summer. The District regularly offers the Intel: The Essentials course that provides 32 hours of professional development on how to integrate technology to support standards and learning as well as professional collaboration.
