The Orange County Register Names Fullerton School District a Winner of the Orange County Top Workplaces 2018 Award

(Fullerton, CA) – Fullerton School District has been awarded a 2018 Top Workplaces honor by The Orange County Register. The list is based solely on employee feedback gathered through a third-party survey administered by research partner [Energage](#), LLC (formerly WorkplaceDynamics), a leading provider of technology-based employee engagement tools. The anonymous survey measures several aspects of workplace culture, including alignment, execution, and connection, just to name a few.

“Top Workplaces is more than just recognition,” said [Doug Claffey](#), CEO of Energage. “Our research shows organizations that earn the award attract better talent, experience lower turnover, and are better equipped to deliver bottom-line results. Their leaders prioritize and carefully craft a healthy workplace culture that supports employee engagement.”

Recognition as a 2018 Top Workplace is an exceptional honor since nominations for the award are submitted by staff. The winners of this award are determined by input from employees. Fullerton School District is honored to be regarded in such esteem by the staff who work tirelessly to ensure our students receive a great education. The measures used to survey the Orange County Top Workplaces 2018 applicants is aligned with the core values of Fullerton School District. As a District, staff have identified seven core values, Collaboration, Integrity, Respect, Communication, Lead Learner, Empathy, and Student Centered (CIRCLES) that guide the direction of the organization. “Through buy-in of employees to our core values, FSD has fostered a Top Workplace based on our CIRCLES. We are honored to be recognized as a Top Workplace by the ones who help make our district a great place to be, our employees,” stated Fullerton School District Superintendent, Dr. Robert Pletka.

“Becoming a Top Workplace isn’t something organizations can buy,” Claffey said. “It’s an achievement organizations have worked for and a distinction that gives them a competitive advantage. It’s a big deal.”
