Community of Character for the Month of September: Responsibility

Life Skill for the Week: Doing what I am supposed to do

Inspirational Quote of the Day: "If we learn nothing else from this tragedy, we learn that life is short and there is no time for hate." ~ Sandy Dahl, wife of flight 93 pilot Jason Dahl

Wednesday Garden

Beginning today, weather permitting, the garden will be open for students to enjoy during both lunch periods. There will be volunteer opportunities, special events and just a place to be zen and relax so come check it out!!

STUDENT DROP OFF TABLE

Many students receive deliveries of forgotten items throughout the day at school. In order to make it easier on you and your parents, we have created a student drop off table that is located in the front of school to the left of our main gated entrance. Please let your parents know that this is where **all** items should be placed that they bring you throughout the day. Lunches will still be placed on the lunch cart which is located to the right of the main gate. Be sure that all items are LABELED with your name so that there is no confusion when picking up your items. Thank you!

STUDENT ID CARDS

Have you left your student ID card in the ball room? Maybe you just have misplaced it? If so, it might be in the main office. We have LOTS of student ID cards that have been turned in. Please stop by to check if one of them is yours. Thank you!

After School Academic Tutoring

After school academic tutoring will begin on Monday August 26th and will run from 3:15-4:15 every day Monday through Thursday. All participants must have a signed agreement to attend. These can be found in the main office. Students whose last name are letters A-M will report to B-21 (**Miss Brazil's** room). Students with last names N-Z will report to P-3 (Mrs. Wood's room)

Reflections

Calling all artists! It is time for the annual Reflections art competition. This year's theme is: **LOOK WITHIN**. All submission are due on Wednesday October 2 between 8:30-9:30 am in the library. There are informational packets in the front office for anyone who is interested.

BIKES AND SCOOTERS

As we move back into the school year, the administration would like to remind students who ride to school about a few things.

- 1) Please be sure and lock ALL bikes and scooters that are left in the rack. The rack is unlocked every day at 3:00 pm and stays unlocked all weekend.
- 2) Always wear a helmet while on your bike or scooter
- 3) Please be sure to always walk your bike or scooter while on campus

HARVEST PARK PROCEDURES

Lunches and Forgotten Items Left at Home Information

Forgotten lunches can be picked up on the cart in front of the school. The office will not call the classroom for forgotten lunches. It is the student's responsibility to check for any forgotten items. Lunches not picked up will be discarded at the end of the school day. Check the Item drop off table for any other items.
