ST. MARY'S HIGH SCHOOL

on the Frank J. Bommarito Campus

Dear Dragon Moms,

Welcome to St. Mary's High School 2018 - 2019 school year! This is going to be another exciting year and we want you to be a part of it! If you are a mom or step-mom of a Dragon, then you are already an official member of the Mother's Club! The Mother's Club is an opportunity for Dragon moms to come together to build community among moms, other parents, students and staff all while having fun.

There are several activities planned for this school year and we need your help for them to be successful! We know you all are busy, but please consider getting involved and volunteering to help with some of the events listed on the reverse side of this letter.

Please let me know if you would consider being a on the Mother's Club Board. We are hoping to restructure and there are multiple positions needing to be filled.

Thank you for all of your help and look forward to working with each of you!
