Art Vistas Volunteers Needed Art Vistas is a great opportunity to meet all the students on the team, and to observe your child's interactions with his/her peers. Unlike elementary school, at middle school there are only three lessons, for 6th and 7th grade and two projects for 8th grade. You can choose to give the presentation (training and materials are provided), or simply to help out with the art project. Please fill in which grade and team you would like to help with.
