

# Scholarship Opportunities for 2018-2019

## \*Please Read\*

All scholarships listed are those that were active and/or awarded during the previous school year. Scholarships are open on a rolling basis and some may or may not be renewed.

Scholarships that are open/available have the deadlines posted in **RED**. Scholarships with TBA dates or that are shaded in gray have either not been announced, no information has been made available or the deadline has passed.

Please check this website weekly as new scholarships are added/unshaded continually.

Also, many recreational, civic, and religious organizations offer scholarships. If you or a family member belongs to a particular club, group, or parish, check to see if that organization offers a scholarship. Many employers offer scholarships as well. You would be surprised!

Please check the scholarship closely for criteria, instructions, due date and procedures for submitting. Deadlines are for **COMPLETED PACKETS**. **You must allow 1 week for counselor information and/or transcripts to be added to your application packet. We are unable to process requests that are days prior to an established deadline.**

Many colleges/universities offer substantial scholarships directly from their websites **that are not advertised here**. Do not neglect those opportunities!!
