

CARLISLE CSD & CITY OF CARLISLE JOINT PUBLIC STATEMENT ON COVID-19

Carlisle CSD and City of Carlisle officials are working collaboratively to be proactive and preventative, while operating in a state of preparedness. We are in constant communication with the Warren and Polk County Health Department, as well as the Iowa Department of Public Health. Moving forward, we will continue to partner with and follow the guidance of these agencies. For reference, the most up-to-date information about the coronavirus can be found via the Iowa Department of Public Health Coronavirus and the Centers for Disease Control Coronavirus.

The safety and well-being of our school and community members is always our top priority. We all have procedures in place as part of our emergency operating plan[s] to handle situations regarding the spread of illness.

To help prevent the spread of respiratory diseases, the CDC recommends the following actions:

- Frequently wash your hands for 20 seconds or more with soapy water. If unavailable, use hand sanitizer.
- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose and mouth.
- Stay home when you are sick.
- Cover your cough or sneeze with a tissue, then throw the tissue in the trash.
- Clean and disinfect frequently touched objects and surfaces using a regular household cleaning spray or wipe.

Please feel free to communicate with your local school district or city officials if you have any specific questions.
