Eligibility: Only athletes in good academic standing are eligible to compete in the high school division. All athletes must be currently enrolled in the high school for which they compete. Home schooled athletes are eligible for competition. Athletes must meet the standards set by their state associations. Middle school students that do not meet the current TISCA Eligibility Criteria may participate in the Middle School Division.

Format: **Swimming** events will be **Prelim- Finals**. The 2019-20 National High School Federation Rulebook will govern the meet.

Entries: 1. Teams are to submit their entries using Hy-Tek Team Manager by email attachment (please send in COMMLink file format or WIN-MM format). Teams can download a FREE copy of Hy-Tek Team Manager 7.0 Lite from <http://www.hy-tek.com/downloads.html>. Please provide a printed copy of entries for verification purposes. (These may be e-mailed as a Microsoft Word attachment). **Any questions on Hy-Tek entry procedures should be directed to Jorge Blasini at swimkingsport@gmail.com or (423)967-4264.**

Teams that do not have Hy-Tek's programs will be charged an additional \$50.00 entry fee. In order to ensure proper entry, complete the attached forms, listing swimmer (last name, first name), grade, and best time for each event.

Coaches, please provide a telephone number where we can call you during the day and evening.

2. **Please submit all times in short course yards.** If using yard times, please indicate on the entry form. Use NT for swimmers and relay teams with no times.

3. Swimmers may swim no more than **2 individual events and 2 relay events** or **one individual event and 3 relay events** for the meet.

4. Relays will be time final in the Prelim only. There will be **NO Relays in the Finals.** We will have ten minute break where the diving and the 200 free relay would be. Coaches do not need to provide names for relay teams until warm-ups.

5. During **Prelims** Boys and Girls 500-yard freestyle will be limited to **3 heats** in each event. The 24 swimmers with fastest seed times will be entered in each event. They will be seeded fastest to slowest. Only **one heat** of the 500 free will swim in Finals top fastest 8 swimmers for each event.

6. The “best time” column for diving entries should be left blank. Place an ‘X’ in the space on the form. Diving forms will be provided at the meet.

7. Finals will consist of the Top 16 in each event except relays which are time final and 500 which we will take the top 8. On consolation heat that swim before the final heat. Then fastest 8 will swim in the Finals for points. By NHSF rules no more than four swimmers from one team can swim per event for points. This means will put the 5th fastest entered in the consolation heat and so on. If you clarification email me at nlove@k12k.com. For example if I enter 8 swimmers who happen to be the fastest 8 in the 50 free. My top 4 will swim in the final heat for points and my second top 4 will swim in the consolation heat for no points. However if they were in the 500 free my second four would not swim.

Events: Standard High School Order of Events will be used; boys’ events followed by girls’ events. **Divers will compete in 11 dives on Friday at DB, December 7th. Divers will be able to 6 dives as an exhibition . A 10 minute break** will follow the boys’ 50-yard freestyle.
