

Biology

Come and learn what makes your skin tan and still have time to go to the beach! Of course, we will still tackle all the fun subjects such as Genetics, Creation, Zoology, and Human Systems, to name a few.

Biology is one of the core science classes that are required at CCHS. Taking biology during the summer will lighten your 2018-2019 schedule!!

Text: Biology for Christian Schools, Bob Jones Press + Lab book 4 ed.

- To purchase book, check with the school office.
