

Christmas Cookie Project

The PTG would like to invite all OLG families to participate in our Christmas Service Project this year! We have partnered with Light of Life Rescue Mission to try and make Christmas a little more special this year for the Homeless Community in Pittsburgh. Light of Life Rescue Mission collects homemade cookies to give out to those less fortunate during their Christmas dinner. We know that there are many great bakers right here in our school community, so we thought that we could use our talents to help those in need!

How you can help:

- (1) Bake a few dozen cookies with your children at home, place them in a plastic sealed container, tape the recipe to the top of the container, and provide a tray for them to be served on. Drop the cookies and tray off at the cafeteria on Wednesday, December 19th after school until 4:30pm.
- (2) Join us in the cafeteria, with your child, after school on Wednesday, December 19th until 4:30pm to decorate sugar cookies (with icing and sprinkles) to be donated to Light of Life. Music, hot chocolate, snacks, and fun will be provided!
- (3) Bake a few dozen sugar cookies (plain) that can be used on Wednesday, December 19th to decorate. They also must be placed in a sealed plastic container with the recipe taped to the top. They should be sent with trays as well.
- (4) The Light of Life Rescue Mission is also in need of NEW **board games** and NEW DVD's to make up baskets for Family Nights for those who come to their shelter. If you don't have time to bake, consider donating a board game or DVD.

All donations must be dropped off on Wednesday, 12/19 after school. Please fill out the form below to let us know if you can help. **Return slips to the office by 12/14.** Thank you!

Name _____ Email Address _____

() I can donate _____ dozen of _____ cookies.

() My child _____ and I will come on 12/19 to help decorate cookies.

() I can bake _____ dozen plain sugar cookies to be used for decorating on 12/19.
