## Media Parental Permission Form

This is to inform you that as a student in the media course, your son/daughter will view R rated movies. These films may contain mature language and content and have been chosen solely for their artistic or historical importance. We feel that it would significantly alter the intention of the film makers and seriously undermine the intent of the course if these films were shown in an edited or altered condition.

Please fill out and sign the following release form to indicate and approve that you are aware of, and accept the conditions under which the films in this course will be viewed. Thank you in advance for your cooperation in this matter. If you have any questions, please do not hesitate to contact me.
