

Friday Report

INSIDE THIS ISSUE:

- STEM Camp
- WHHS Student Artist
- Important Dates to Remember
- Summer Hours
- Looking Ahead
- Intervention and At-Risk Student Support / Summer Enrichment

STEM CAMP - Students and teachers at **Fennell Elementary** have been busy learning about STEM (science, technology, engineering, and math) principles. Pictured below are students and teacher **Courtney Cook** who were putting those principles into action.

WHHS Student Artist
Jenny Schaffer, age 16, just finished the 10th grade at **Wade Hampton High School**. Next year, she will attend the Governor's School for Math and Science and will complete her junior and senior years there. She enjoys reading, spending time with her family and friends, and of course, art. She attended the summer Governor School programs for visual arts the past two years. The window painting featured at the right was for the **Lowcountry Regional Water System**. The LRWS received the "Best Decorated Business" 1st Place Award from the Hampton County Watermelon Festival. Jenny wants everyone to know that she is very grateful for the opportunity to paint this window and that God gave her such a cool gift to share.

Important Dates to Remember

- **June 26, 2017 - School Board Planning Retreat**
- **June 26, 2017 - Official School Board Meeting**
- **July 3 - 4, 2017 - Hampton One Central Office and Schools Closed in Observance of Independence Day**
