
REQUEST FOR PROPOSAL - ADDENDUM

Applicant	PLEASANTON INDEP SCHOOL DIST
BEN	141495
Form 470 #	190008802
Title	RFP#PLEAS003 (PLEA 2019-C2)
Addendum #	QandA
Date Posted	December 21, 2018
Web Site	www.pisd.us Navigate to : Departments-Purchasing

Question: I am contacting you regarding your E-Rate 470 request for Firewall. I wanted to know what your specifications were for inspecting encrypted network traffic with your firewall, and what other security devices you currently use in your infrastructure, so I can verify compatibility.

Answer: The firewall must be capable of SSL decryption on selected incoming and outgoing traffic, providing full visibility, threat inspection and policy compliance before re-encrypting and allowing it to proceed to its destination. The district currently utilizes a pair of SonicWall NSA 6600's in high availability mode for network security.
