

**Howell Middle School South
Guidance Department
"Kids with Character"**

2018-2019

Dear Parents and Guardians,

The Character Education program at Middle School South, "**Kids with Character**", recognizes those students who are currently performing volunteer work, and encourages other students to engage in altruistic activities themselves. The "**Kids with Character**" program highlights participating MSS students who are volunteering for non-profit agencies/volunteer services, and who complete ten (10) or more hours of volunteer service **each** month. These students are recognized by joining us for a monthly **Student Recognition Breakfast** in the media center. All "**Kids with Character**" receive a certificate during the recognition breakfast.

We are attaching all the necessary forms with this letter. If your child needs additional time sheet forms, please have them come to the Guidance office. Please feel free to contact us if you have any questions.

Thank you!
Kim Kaminski
Jill Martin
