

FASD eBackpack iOS App Login Guide

1. Make sure you are using the **NEW**** eBackpack app, called eBackpackLM. The logo is now green instead of multi-colored. The old one should be automatically removed, but if it is still there, remove it from your iPad to avoid confusion. The new one is deployed to all iPads and available in the FASD App Store.**

2. After opening the app, you will be asked to provide the account name. Please enter: fasdk12

You DO NOT need to put the .org at the end, simply fasdk12, just as is shown in the image below.

3. You will then be asked to enter your username and password. These credentials are the same as what you use to log in to a district computer. That is it!
