

FINALS SURVIVAL KITS

To: Parents of students scheduled to take final exams
From: Silver Creek High School Student Council
Subject: Send a Survival kit to help your student through finals

Semester finals are rapidly approaching. To help your student through that stressful time, consider sending them a Finals Survival Kit! It's a way to make the student feel special and supported. It's also fun!

Just add your personal message on the order form and send it with payment. We'll prepare a package loaded with popular student snacks, and we guarantee it will be delivered to the student at just the right time for finals.

THE GOLD SURVIVAL KIT will nourish your hard working student with fresh healthy fruit and energy sustaining treats. Wholesome snacks sharpen the senses and enhance study and exam concentration. A most appreciated gift.

THE SILVER SURVIVAL KIT is **the favorite** with Silver Creek students. This Survival Kit option features both wholesome and high energy snacks. Contains all the contents listed on the next page—over 15 scrumptious treats in all. Enough to last through finals.

Please respond today. There are always parents who plan to send a package but get too busy until it's too late. The result: no package for their student. To guarantee your student gets the package on time, please respond on or before Dec 11, 2018

We're proud that Silver Creek students can count on backing by their parents.
Thank You!
SCHS Student Council

We must **RECEIVE** orders by Dec 11, 2018

Complete a separate form for each student.
