

## **COMMUNITY ENGAGEMENT PLAN** (to be executed in the next 30 days)

### **Talking points : Keep to approximately 3 minutes**

1. We, as a team, have established priorities of student success, high quality staff, and increasing positive relationships.
2. We are working on aligning our continuous improvement plan with our district priorities.
3. The submission of the continuous improvement plan will allow us to receive an estimated \$1.2 million through the Student Success Act.
4. We will continue to monitor progress towards the district's priorities through superintendent reports during our monthly regular board meetings.
5. For more information, please see the data and reports section of the district website.
