

Secondary Math Placement

Placentia-Yorba Linda Unified School District

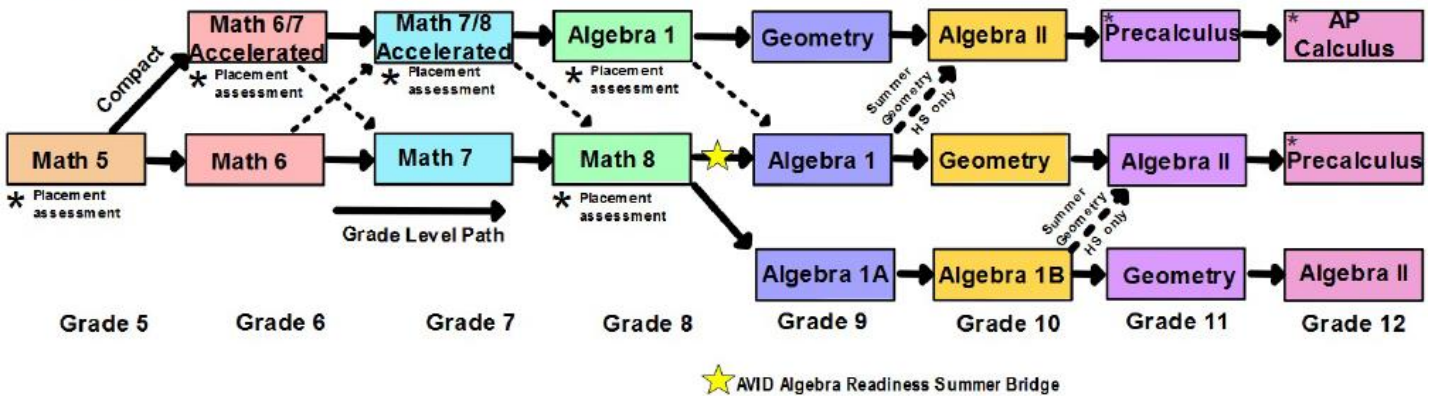

Dear Parents of _____:

Based upon district placement tests, fluency test and grades, your student's preliminary math placement is in _____ for the 2018-2019 school year. This information has been forwarded to site administration.

Students will have 2 more opportunities to confirm and/or adjust placement. An end-of-course test will be taken at the end of May/early June. Additionally, if you feel your student has not been placed in the appropriate course, he/she may take a challenge test. Please refer to the instructions below if you are interested in the challenge test. Registration is required.

The goal of the PYLUSD math placement is to enroll students in the appropriate math course that is best suited to his or her needs. For additional information, please visit the PYLUSD Secondary Math Placement page at <https://goo.gl/2ao0xL>.

Grade level & Accelerated

Challenge Test Registration

Challenge tests will take place on **Friday, June 15** as well as **Monday, June 18 – Thursday, June 21**.
Times vary, please refer to the online registration page.

The purpose of this test is to give students a second chance if they had a poor test day, it is not intended for students to skip math courses. Students may not test out of Algebra 1 or other high school-level courses.

Students may only take this test once. Testing is offered in June & will not take place in August.

To register for the math challenge test, go to <https://goo.gl/PaV4E6> or scan the QR code to the right. Exams will be administered at the Professional Development Academy located at 4999 Casa Loma Ave., Yorba Linda. Test results will be emailed within a week of completing the test.
