

# HEMPFIELD'S SAT PREP FALL SESSION 2019

Coming this spring and summer: **Hempfield's SAT Prep Course** is a course designed to maximize student test taking abilities on the **SAT**. Students have found that the **SAT** Prep Course is also helpful for the **ACT** test. This is a particularly good program for juniors and sophomores since it helps students maximize their scores on both the **SAT** and **PSAT**.

**Hempfield's SAT Prep Course** is available for students in grades 10 – 12. The course is an after school or a summer afternoon program at a cost of \$249, as detailed in the information below, for students from all schools, school districts, home schooled students, and cyber school students.

Included in the course:

- General standardized test taking strategies
- Content specific strategies in the verbal and math portions of the SAT
- Practice sets and discussion
- Practice tests
