

Kaimuki Middle School Community Council (KMSSCC)

Minutes of Meeting Held on May 17, 2018
in the Kaimuki Middle School Library

Present: Jo-Greta Ramos, Keoni Dunn, Stella Lee, Nathan Yoshida, Sandi Yamagata

Absent: Frank Fernandes, Corey Ajimine

The meeting was called to order at 3:15 PM when quorum was met. Minutes from the April 29, 2018 meeting were unanimously approved (motion by Mr. Dunn, second by Nathan). After a review of the collaborative process for completing the required annual information, the pen/paper Principal Survey and online SCC Evaluation were completed as a group.

A shared concern is the need to find a community member to represent that key population and fill the vacant seat next year. Good points for the meeting were that everyone contributed to the main tasks and reviews were completed with easy consensus despite considerable discussion on some questions due to the phrasing and answer choices.

Chairperson Ramos adjourned the meeting at 4:12 PM noting that we will likely reconvene in September of 2018 after the Student Council elects their two student members and hopefully we can return to monthly meetings every third Thursday (tentative schedule is below). Refreshments were served to celebrate the closing of another successful academic year.
