

Dear Preschooler and Family,

What a busy month December will be! I hope you enjoy lots of time with your family. Have you been reading the book you took home and completing your take home packet from November? How will you spend your winter break? I am so excited to see you in January! We will be reading and making all sorts of snow and polar animal activities. Have you been working on writing your name? Here are a couple of fun ideas to work on at home: Use popsicle sticks, straws, or toothpicks to build the letters in your name. Play "I Spy" different colors in the grocery store. Draw your family. Visit www.starfall.com and play some ABC and reading games. Get scissor practice by cutting up old newspapers or used wrapping paper (The striped paper is great!). Bounce a ball and count to 20. I can't wait to hear about your fun times over Christmas! I have included the schedule of classes for the rest of the year. Please mark your calendars and save the dates for **one** (1) Little Steps' class each month to attend. You and your entire family are also invited to attend Little Moves.

See You Soon~
