

# Elmwood Academy Traffic Flow

We are excited to officially open our new entrance this year! In addition to using this as a great space for outdoor learning opportunities, we will use this as the arrival and dismissal location for all car-riders at Elmwood Academy.

## Buses

- The front circle is restricted to BUS ONLY traffic during arrival (7:15-7:40am) and during dismissal (2:15-2:45pm).

## Car-rider Drop-off and Pick-up

- All cars should enter campus through the Shepherdstown Rd entrance closest to the building. This driveway is one-way.
- Cars will proceed across the back of the building and enter the student drop-off & pick-up zone. Cars should pull forward as far as possible within the drop-off & pick-up zone.
- Once stopped within the drop-off zone, staff members and safety patrols will prompt students to exit their vehicle and walk up the stairs to the rear entrance of the building.

## Walkers

- Students walking to school should cross at the intersections with adult crossing guards (Arch St/Elmwood Ave or Shepherdstown Rd/Elmwood Ave). Students crossing at Arch St should proceed to the adult crossing guard in front of the main entrance to cross the bus circle safely. All walkers enter the building through the main front entrance.

## Parking

- Visitor parking is available in the front circle (between 7:40am-2:15pm).
- Parking is available in the side-lot off Elmwood Avenue throughout the day; however, this lot is “exit only” during arrival (7:15-7:40am) and during dismissal (2:15-2:45pm).
- Parking is available in our rear lots, both accessible from the entrance off Shepherdstown Road.
