## PRINCIPAL'S MESSAGE

Dear Parents, Guardians and Elementary Students:

I enjoyed the opportunity to visit with many of you at Parent/Teacher conference. I left school that evening with a renewed sense of the great importance of the work we do with and for children.

The procedures and daily activities of your child's classroom should be familiar and comfortable to them by this time in the school year. If your child is still experiencing anxiety or any type of concerns, please contact your child's teacher. You are welcome to also include me on these types of communications. We will be happy to talk with you on the phone or to schedule a meeting to talk together regarding ideas to help your child or the situation. Please don't ever hesitate to contact us – we want to help.

I wish you all a beautiful fall season and an October filled with; a little bit of candy, some good books, warm fires and memories to treasure.

Melissa Moree, Principal

### October 26th

1<sup>st</sup> grade field trip to Disney on Ice

### October 31<sup>st</sup>

Kindergarten field trip to the zoo

## CLINIC NEWS

I have sent flu letters and well child letters out for the students to bring home if you indicated it on their Coordinated School Health Packet. This was the health information sheet that you submitted at the first of the year. I expect to begin flu vaccinations after we return from fall break. I have sent some packets out which ask insurance information and a check list that must be returned for your child to receive the vaccine. Please check their backpacks for these. If they are missing information I will return it to you for completion. If your child didn't bring a letter home and you wish that he/she gets their flu vaccine and/or well child visit at school, please contact me. At this time there isn't a nurse practitioner that routinely comes to this school, but I will be able to get one later in the year. If you have any questions, please contact me at 423-884-6392. Annie Hunt, RN
