

PBL Showcase

Please join us as our students present their final culmination of learning through their final products. There will be a large variety of products such as models, websites, videos, media campaigns, etc. See you there!

When: Wednesday, March 20, 2019

Time: 1:30—3:00pm

Place: STEAM Academy @ Burke

DRIVING Questions

6th grade: *“How will we feed a hotter, hungrier world of 10 billion people by the year 2050?”*

7th grade *“How can we maintain access to a safe water supply in a changing world?”*

8th grade: *“In a post-disaster environment, how can we design a resilient, self-sustaining society that can withstand the challenges that we will face?”*
