Dear Gateway Middle School PTO,

I'm writing to offer my heartfelt thanks for your generous gift of \$250.00 to Susan G. Komen® on October 24, 2018.

Your generous donation is helping us get closer to our **Bold Goal** - to reduce the current number of breast cancer deaths in the U.S. by 50% by the year 2026.

As you can probably imagine, achieving such an ambitious goal will require more than pink ribbons. We'll need passionate allies like you to prove they are **More Than Pink™** by taking *action*. So thank you for your support. It is already helping to make a difference.

As we work toward our **Bold Goal**, we are focusing on several key areas:

- Develop novel therapies for aggressive forms of breast cancer
- Advance the development of transformative technologies for the earliest detection of breast cancer
- Address racial and ethnic disparities in access to care
- Eliminate barriers to timely utilization of quality care

Thank you again for stepping up and helping us win this fight against breast cancer. You are **More Than Pink™**.

Warmly,

Christina Alford  
Senior Vice President, Development
