Aloha Wai'anae Intermediate School Ohana,

I would like to welcome everyone back from your summer break. I am looking forward to an outstanding year and the many things that our students will accomplish throughout the year.

As we welcome in the new year, our staff and students will be running through our school emergency procedures on Wednesday, August 14, 2019. Our drills are practiced periodically to ensure the safety of all students and staff. This Wednesday we will be running through our lock-down, tsunami, fire, and evacuation drills. We have already informed HFD (Honolulu Fire Department) and HPD (Honolulu Police Department) of our plans. If you have any questions, please feel free to reach out to school administration at (808) 697-7121.

Looking forward to a great school year.

Aloha,
