The final exciting stop is the Global Finals from May 22-25 in Kansas City where they will showcase their talents along with teams from all over the country and world.

What is Destination Imagination

Destination Imagination is a worldwide program that highlights creativity and teamwork. The mission is "to engage participants in project-based challenges that are designed to build confidence and develop extraordinary creativity, critical thinking, communication, and teamwork skills." Throughout 7 months of hard work they also learned the principles of perseverance and friendship.

Our Team and Journey

The Runaway Hamstens are a Destination Imagination Team of 5th grade students from Foxview Intermediate School in De Pere. Since October, they have worked on the improvisational challenge category. To be successful in the challenge, they had to:

- Research historical figures found on coins from around the world.
- Create and present an improvisational skit that includes the historical figures in a tale.
- Integrate an event that has an impact on the tale.
- Present the skit in two parts, changing between comedy and tragedy and verbal to nonverbal.
