## Parent Liaison - Title 1

.....

Greetings TMSA Families and Staff,

My name is Jamil Johnson-Pearson and I am serving as your new TMSA Parent Liaison for 2019-2020 school year! My role as your parent liaison is to serve as a bridge of communication between TMSA parents, teachers and students.

The goal of a parent liaison is to provide parents with practical information on how to support their child(ren) through their studies and social interactions. My efforts are to be resourceful in providing useful and valuable materials relating to questions, concerns and/or issues within our school community. I will be a listening ear to your concerns and aim to help find a resolution, if needed.

As parent liaison, my duties may include:

- Assisting with parent teacher relationships and meetings
- Participating with school enrichment activities and fundraisers
- Providing testing information to parents/guardians
- Supporting crisis situations
- Increasing parent volunteerism
- Scheduling and leading tours with prospective families

Ultimately, we should understand how our hands play a significant role in the success of our children.

Come visit me in the Parent Resource Center Monday - Friday between the hours of 7:15 a.m. - 11:15 a.m., or make an appointment by sending an email to [jamil.pearson@tmsa.org](mailto:jamil.pearson@tmsa.org). Come and learn more about the various resources available to you and your family!

I look forward to working together with you all this school year!

Sincerely,  
Jamil Johnson-Pearson  
The Main Street Academy  
Parent Liaison
