

TUTOR AGREEMENT FORM

We, _____, the parents of student _____
name of both parents name of student

wish to hire _____ to provide tutoring services to our child commencing
name of St. Louise Parish School teacher

during the month of _____. We realize that this agreement form expires on August 31, and each new school year/summer vacation requires a new form to be completed.

We have read the complete Tutoring Policy on the school website and understand the school does not involve itself in the financial transactions for paying the teacher/tutor, does not receive any revenue from tutoring, and does not endorse or guarantee any particular tutor.

The exact days and times of the tutoring sessions will be agreed upon by the teacher and us, realizing that the priorities of St. Louise School and the school's administration take precedence when scheduling times and/or reserving rooms. When tutoring on site, the teacher/tutor must choose a school room in which he/she and the student are within view of the public at all times, and the room must be reserved through the Parish-Administrator-for-Scheduling if occurring any afternoon after 4:30PM. St. Louise rooms may not be used for tutoring on days school is not in session. Thus, school rooms are not available on weekends or vacation days.
